By: Hancock S.B. No. 561 (Smithee, Thompson of Brazoria, Anderson of Dallas)

## A BILL TO BE ENTITLED

1	AN ACT
2	relating to the identification and handling of unclaimed life
3	insurance and annuity contract proceeds.
4	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
5	SECTION 1. Chapter 1109, Insurance Code, is amended by
6	adding Subchapter A-1 to read as follows:
7	SUBCHAPTER A-1. DEATH MASTER FILE SEARCH; IDENTIFICATION OF
8	UNCLAIMED PROCEEDS
9	Sec. 1109.010. DEFINITIONS. In this subchapter:
10	(1) "Annuity contract" means an annuity contract
11	issued in this state. The term does not include an annuity used to
12	fund an employment-based retirement plan or program for which the
13	<u>insurer:</u>
14	(A) does not perform the recordkeeping services;
15	<u>or</u>
16	(B) is not committed by the terms of the annuity
17	contract to pay death benefits to the beneficiaries of specific
18	plan participants.
19	(2) "Death Master File" means:
20	(A) the United States Social Security
21	Administration's Death Master File; or
22	(B) any other database or service that is at
23	least as comprehensive as the United States Social Security
24	Administration's Death Master File for determining whether a person

- 1 is dead.
- 2 (3) "Death Master File match" means a match of the
- 3 social security number or the name and date of birth of an insured
- 4 or retained asset account holder resulting from a search of the
- 5 Death Master File.
- 6 (4) "Life insurance policy" means a policy or
- 7 certificate of life insurance issued in this state that provides a
- 8 <u>death benefit</u>. The term does not include:
- 9 <u>(A) a policy or certificate of life insurance</u>
- 10 that provides a death benefit under an employee benefit plan that
- 11 <u>is:</u>
- (i) subject to the Employee Retirement
- 13 Income Security Act of 1974 (29 U.S.C. Section 1001 et seq.); or
- 14 (ii) under any federal employee benefit
- 15 program;
- 16 (B) a policy or certificate of life insurance
- 17 that <u>is used to fund a pre-need funeral contract or prearrangement;</u>
- 18 (C) a policy or certificate of credit life or
- 19 accidental death insurance; or
- 20 (D) a policy issued to a group master
- 21 policyholder for which the insurer does not provide recordkeeping
- 22 <u>services.</u>
- 23 (5) "Recordkeeping services" means services provided
- 24 by an insurer, under an agreement with a group policy or contract
- 25 holder, to obtain, maintain, and administer in the insurer's or the
- 26 insurer's agents' systems the following information about each
- 27 individual insured under the group policy or contract or a line of

of birth of the insured;  (B) beneficiary designation information;  (C) coverage eligibility;  (D) benefit amount; and  (E) premium payment status.  (6) "Retained asset account" means a mechanism which the proceeds payable under a life insurance policy or annu contract are settled by the insurer or an entity acting on behalt the insurer by depositing the proceeds into an account with check draft writing privileges, where those proceeds are retained by insurer or the insurer's agent, under a supplementary contract involving annuity contract benefits other than death benefits.  Sec. 1109.011. IDENTIFICATION OF DEATH MASTER FILE MATCH (a) An insurer shall compare its in-force life insurance polic annuity contracts, and retained asset accounts against a Demandary contracts. The insurer shall perform the formation of a policy, contract, or account against a full Demandary potential Death Master File and thereafter against Death Master File update for to identify potential Death Master File matches.  (b) An insurer shall first conduct the comparison requirements available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records.	1	coverage under that policy or contract:
(B) beneficiary designation information;  (C) coverage eligibility;  (D) benefit amount; and  (E) premium payment status.  (6) "Retained asset account" means a mechanism which the proceeds payable under a life insurance policy or annucontract are settled by the insurer or an entity acting on behal the insurer by depositing the proceeds into an account with chec draft writing privileges, where those proceeds are retained by insurer or the insurer's agent, under a supplementary contract involving annuity contract benefits other than death benefits.  Sec. 1109.011. IDENTIFICATION OF DEATH MASTER FILE MATCH annuity contracts, and retained asset accounts against a Demandative contracts, and retained asset accounts against a Demandative contracts, and retained asset accounts against a Demandative contracts. The insurer shall perform the forcemparison of a policy, contract, or account against a full Demandative contracts against a full Demandative contract against against against against against against against against against ag	2	(A) the social security number or name and date
(C) coverage eligibility;  (D) benefit amount; and  (E) premium payment status.  (G) "Retained asset account" means a mechanism which the proceeds payable under a life insurance policy or annu contract are settled by the insurer or an entity acting on behal the insurer by depositing the proceeds into an account with chece draft writing privileges, where those proceeds are retained by insurer or the insurer's agent, under a supplementary contract involving annuity contract benefits other than death benefits.  Sec. 1109.011. IDENTIFICATION OF DEATH MASTER FILE MATCH (a) An insurer shall compare its in-force life insurance policinal annuity contracts, and retained asset accounts against a Demonstration of a policy, contract, or account against a full Demonstration of a policy, contract, or account against a full Demonstration of a policy, contract, or account against a full Demonstration of a policy, contract, or account against a full Demonstration of a policy potential Death Master File matches.  (b) An insurer shall first conduct the comparison required by Subsection (a) electronically to the extent the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format, and then use the insurer records are available in electronic format.	3	of birth of the insured;
(D) benefit amount; and  (E) premium payment status.  (G) "Retained asset account" means a mechanism which the proceeds payable under a life insurance policy or annu contract are settled by the insurer or an entity acting on behal the insurer by depositing the proceeds into an account with chece draft writing privileges, where those proceeds are retained by insurer or the insurer's agent, under a supplementary contract involving annuity contract benefits other than death benefits.  Sec. 1109.011. IDENTIFICATION OF DEATH MASTER FILE MATCH (a) An insurer shall compare its in-force life insurance police annuity contracts, and retained asset accounts against a Demandation of a policy, contract, or account against a full Demandation of a policy, contract, or account against a full Demandation of a policy, contract, or account against a full Demandation of a policy, contract, or account against a full Demandation of a policy, contract, or account against a full Demandation of a policy, contract, or account against a full Demandation of a policy, contract, or account against a full Demandation of a policy potential Death Master File matches.  (b) An insurer shall first conduct the comparison required by Subsection (a) electronically to the extent the insurer records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format.	4	(B) beneficiary designation information;
(E) premium payment status.  (6) "Retained asset account" means a mechanism which the proceeds payable under a life insurance policy or annument contract are settled by the insurer or an entity acting on behal the insurer by depositing the proceeds into an account with check draft writing privileges, where those proceeds are retained by insurer or the insurer's agent, under a supplementary contract involving annuity contract benefits other than death benefits.  Sec. 1109.011. IDENTIFICATION OF DEATH MASTER FILE MATCH (a) An insurer shall compare its in-force life insurance policy annuity contracts, and retained asset accounts against a Death Master File at least semiannually to identify potential Death Master File and thereafter against Death Master File update for the insurer shall perform the formation of a policy, contract, or account against a full Death Master File and thereafter against Death Master File update for the insurer shall first conduct the comparison required by Subsection (a) electronically to the extent the insurer records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format, and then use the records are available in electronic format.	5	(C) coverage eligibility;
which the proceeds payable under a life insurance policy or annulus contract are settled by the insurer or an entity acting on behal the insurer by depositing the proceeds into an account with check draft writing privileges, where those proceeds are retained by insurer or the insurer's agent, under a supplementary contract involving annuity contract benefits other than death benefits.  Sec. 1109.011. IDENTIFICATION OF DEATH MASTER FILE MATCH (a) An insurer shall compare its in-force life insurance policy annuity contracts, and retained asset accounts against a Demantity contracts, and retained asset accounts against a Demantity contracts. The insurer shall perform the force comparison of a policy, contract, or account against a full Demantity potential Dem	6	(D) benefit amount; and
which the proceeds payable under a life insurance policy or annual contract are settled by the insurer or an entity acting on behal the insurer by depositing the proceeds into an account with check draft writing privileges, where those proceeds are retained by insurer or the insurer's agent, under a supplementary contract involving annuity contract benefits other than death benefits.  Sec. 1109.011. 	26	easily accessible insurer records for any records that are not

available electronically.

27

- 1 (c) Each subsequent comparison made under this section
- 2 shall include all in-force life insurance policies, annuity
- 3 contracts, and retained asset accounts and any policies, contracts,
- 4 or accounts that have lapsed since the previous comparison.
- 5 (d) An insurer shall implement procedures for conducting
- 6 comparisons under this section to account for:
- 7 (1) common nicknames, initials used in lieu of a first
- 8 or middle name, use of a middle name, compound first and middle
- 9 names, and interchanged first and middle names;
- 10 (2) compound last names, maiden or married names, and
- 11 hyphens, blank spaces, or apostrophes in last names;
- 12 (3) transposition of the month and date portions of
- 13 the date of birth; and
- 14 (4) an incomplete social security number.
- 15 Sec. 1109.012. DUTIES REGARDING DEATH MASTER FILE MATCH.
- 16 (a) For each Death Master File match, the insurer shall, not later
- 17 than the 90th day after the date the insurer identifies the match:
- 18 (1) complete a documented good faith effort to confirm
- 19 the death of the insured or retained asset account holder against
- 20 other available records and information;
- 21 (2) review the insurer's records to determine whether
- 22 the deceased individual had purchased or was otherwise covered by
- 23 any of the insurer's other products; and
- 24 (3) determine whether proceeds may be due in
- 25 accordance with the applicable policy or contract or terms
- 26 governing the applicable account.
- (b) For group life insurance or a group annuity contract, an

- 1 insurer is required to confirm the possible death of an insured or
- 2 retained asset account holder under this section only if the
- 3 insurer provides recordkeeping services for the group policy or
- 4 group annuity contract.
- 5 (c) If the insurer determines under Subsection (a)(3) that
- 6 proceeds may be due and a beneficiary or other authorized
- 7 representative has not communicated with the insurer on or before
- 8 the 90th day after the date the insurer identifies a Death Master
- 9 File match, the insurer shall:
- 10 (1) complete a documented good faith effort to locate
- 11 and contact each beneficiary or other authorized representative on
- 12 the relevant policy, contract, or account; and
- 13 (2) provide to the beneficiary or authorized
- 14 representative the appropriate claim forms, instructions, or
- 15 information to make a claim, including information about any need
- 16 to provide an official death certificate or show proof of death
- 17 under the applicable policy or contract or terms governing the
- 18 applicable account.
- 19 (d) If an insurer is unable to confirm the death of an
- 20 insured or retained asset account holder after the insurer
- 21 identifies a Death Master File match, the insurer may consider the
- 22 relevant policy, contract, or account to remain in force according
- 23 to its terms.
- 24 (e) To the extent permitted by law, the insurer may disclose
- 25 minimum necessary personal information about the insured, retained
- 26 <u>asset account holder</u>, or beneficiary to a person the insurer
- 27 reasonably believes may be able to assist the insurer in locating a

- 1 person entitled to payment of the claim proceeds.
- 2 (f) An insurer or the insurer's service provider may not
- 3 charge an insured, retained asset account holder, beneficiary, or
- 4 authorized representative any fees or costs associated with
- 5 conducting a Death Master File comparison under this subchapter or
- 6 verifying a Death Master File match under this subchapter.
- 7 Sec. 1109.013. PRESUMPTION OF UNCLAIMED PROCEEDS; REPORT
- 8 AND DELIVERY OF PROCEEDS. (a) The proceeds of a life insurance
- 9 policy, annuity contract, or retained asset account, and any
- 10 accrued contractual interest, are first payable to each designated
- 11 beneficiary or owner as provided by the applicable policy or
- 12 contract or terms governing the applicable account.
- 13 (b) If a Death Master File match is confirmed, the proceeds
- 14 of the relevant policy, contract, or account are considered
- 15 unclaimed proceeds for purposes of this chapter on the third
- 16 anniversary of the date on which, according to the insurer's
- 17 records, the insurer completed a good faith effort as required by
- 18 Section 1109.012(c) that failed to locate a beneficiary or
- 19 authorized representative if the proceeds remain unpaid and no
- 20 beneficiary or authorized representative has submitted a claim for
- 21 the proceeds to the insurer before that date.
- 22 <u>(c) An insurer shall report unclaimed proceeds as required</u>
- 23 by Section 1109.051.
- 24 <u>(d) An insurer shall deliver unclaimed proceeds to the</u>
- 25 comptroller as required by Section 1109.052.
- (e) For purposes of this section, unclaimed proceeds do not
- 27 include any statutory interest under Section 1103.104.

- 1 Sec. 1109.014. RULEMAKING AUTHORITY. The commissioner may
- 2 adopt rules to implement this subchapter.
- 3 Sec. 1109.015. AUTHORITY TO ISSUE CERTAIN ORDERS. The
- 4 commissioner may issue an order:
- 5 (1) limiting the Death Master File comparisons
- 6 required by this subchapter to only those files the insurer
- 7 maintains in searchable electronic format or approving a plan and
- 8 timeline for an insurer to convert the insurer's files to
- 9 searchable electronic format;
- 10 (2) exempting an insurer from the Death Master File
- 11 comparisons required by this subchapter or permitting an insurer to
- 12 perform the comparisons less frequently than required by this
- 13 subchapter on a showing of hardship to the insurer; or
- 14 (3) permitting an insurer to phase in compliance with
- 15 this subchapter according to a plan and timeline approved by the
- 16 <u>commissioner.</u>
- Sec. 1109.016. AUTHORITY TO REQUEST DEATH CERTIFICATE.
- 18 Nothing in this subchapter limits an insurer's right to request a
- 19 death certificate as part of a claim validation process.
- 20 SECTION 2. Subchapter A-1, Chapter 1109, Insurance Code, as
- 21 added by this Act, applies only to an insurance policy or annuity
- 22 contract delivered, issued for delivery, or renewed on or after
- 23 January 1, 2018, or a retained asset account established in
- 24 connection with the insurance policy or annuity contract. An
- 25 insurance policy or annuity contract delivered, issued for
- 26 delivery, or renewed before that date, or a retained asset account
- 27 established in connection with the insurance policy or annuity

S.B. No. 561

- 1 contract, is governed by the law as it existed immediately before
- 2 the effective date of this Act, and that law is continued in effect
- 3 for that purpose.
- 4 SECTION 3. This Act takes effect September 1, 2017.
