(5-a) "Releasing agency" has the meaning assigned by Section 828.001, Health and Safety Code.

SECTION 2. Sec. 823.003, Health and Safety Code, is amended by adding a new subsection as follows:

(e-1) Before an animal adoption becomes final, an animal shelter or releasing agency must provide the proposed new owner with a written history that shows if the animal has been screened or tested for diseases and conditions that are common to that species. If the animal has been tested, the written history should include the dates and results of each test.

(e-2) The State Board of Veterinary Medical Examiners shall promulgate forms that an animal shelter or releasing agency may use to comply with subsection (e-1). An animal shelter or releasing agency may use an alternative form, so long as it complies with subsection (e-1).

(e-3) Nothing in this section requires an animal shelter or releasing agency to provide certain screens or tests.

SECTION 3. Chapter 823, Health and Safety Code, is amended

1 by adding Section 823.004 to read as follows:

2 Sec. 823.004. TREATMENT OF ANIMALS ON BEHALF OF ANIMAL  
3 SHELTERS AND RELEASING AGENCIES. (a) Notwithstanding any other  
4 law, once an animal shelter or releasing agency takes possession of  
5 an animal:

6 (1) A veterinarian acting on behalf of the animal  
7 shelter or releasing agency may:

8 a. Perform a surgical or nonsurgical  
9 sterilization of:

10 i. A dog or cat that shows no evidence  
11 of ownership; or

12 ii. A dog or cat that is surrendered  
13 by its owner or whose owner has not claimed the animal within the  
14 hold period as designed by local law;

15 b. Prescribe or administer a vaccine or  
16 medication for or to the animal; and

17 c. Provide any other treatment that the  
18 veterinarian reasonably believes will promote the health and  
19 wellbeing of the animal or to alleviate the pain, suffering, or  
20 discomfort of the animal;

21 (2) An unlicensed employee, volunteer, or agent acting  
22 on behalf of the animal shelter or releasing agency may provide  
23 nonsurgical veterinary care or treatment to the animal:

24 a. Under the authorization and general  
25 supervision of a veterinarian; or

26 b. Pursuant to a protocol approved by a  
27 veterinarian; and

7 unlicensed employee, volunteer, or agent of an animal shelter or  
8 releasing agency. The unlicensed employee, volunteer, or agent may  
9 then administer the medication in keeping with the veterinarian's

15           Sec. 801.0011. POLICY; CONSTRUCTION. (a) The Legislature  
16 hereby finds that the public's attitude towards animal shelters and  
17 releasing agencies has shifted since this chapter was first  
18 enacted. As a result of this shift, many animal shelters and  
19 releasing agencies now seek to save the life of as many stray,  
20 homeless, abandoned, or unwanted animals as possible. The  
21 Legislature intends to promote this practice.

22           (b) This chapter should be construed in favor of licensed  
23 veterinarians and unlicensed persons who care for stray, homeless,  
24 abandoned, or unwanted animals that would be killed but for their  
25 care so long as they are acting with a good faith intent to save  
26 animals' lives and with reasonable consideration of animals' pain.

27           SECTION 5. Sec. 801.002, Occupations Code, is amended by

18 to satisfy the no-kill benchmarks in writing to the department.

19 (b) During the first two years after an animal shelter  
20 declares its intent under subsection (a), an animal shelter  
21 satisfies the no-kill benchmarks if it euthanizes 30% or less of the

24 shelter declares its intent under subsection (a), an animal shelter

27 (c) Beginning on the four-year anniversary of the date the
