SECTION 2.01. Article 16.22, Code of Criminal Procedure, is amended to read as follows:

Art. 16.22. EARLY IDENTIFICATION OF DEFENDANT SUSPECTED OF HAVING MENTAL ILLNESS OR INTELLECTUAL DISABILITY [~~MENTAL RETARDATION~~]. (a)(1) Not later than 12 [~~72~~] hours after receiving credible information that may establish reasonable cause to believe that a defendant committed to the sheriff's custody has a mental illness or is a person with an intellectual disability [~~mental retardation~~], including observation of the defendant's behavior immediately before, during, and after the defendant's arrest and the results of any previous assessment of the defendant, the

1 sheriff shall provide written or electronic notice of the
2 information to the magistrate. On a determination that there is
3 reasonable cause to believe that the defendant has a mental illness
4 or is a person with an intellectual disability [~~mental~~
5 ~~retardation~~], the magistrate, except as provided by Subdivision
6 (2), shall order the local mental health or intellectual and
7 developmental disability [~~mental-retardation~~] authority or another
8 qualified mental health or intellectual disability [~~mental~~
9 ~~retardation~~] expert to:

10 (A) collect information regarding whether the
11 defendant has a mental illness as defined by Section 571.003,
12 Health and Safety Code, or is a person with an intellectual
13 disability [~~mental-retardation~~] as defined by Section 591.003,
14 Health and Safety Code, including information obtained from any
15 previous assessment of the defendant; and

16 (B) provide to the magistrate a written
17 assessment of the information collected under Paragraph (A).

18 (2) The magistrate is not required to order the
19 collection of information under Subdivision (1) if the defendant in
20 the year preceding the defendant's applicable date of arrest has
21 been determined to have a mental illness or to be a person with an
22 intellectual disability [~~mental-retardation~~] by the local mental
23 health or intellectual and developmental disability [~~mental~~
24 ~~retardation~~] authority or another mental health or intellectual
25 disability [~~mental-retardation~~] expert described by Subdivision
26 (1). A court that elects to use the results of that previous
27 determination may proceed under Subsection (c).

1 (3) If the defendant fails or refuses to submit to the
2 collection of information regarding the defendant as required under
3 Subdivision (1), the magistrate may order the defendant to submit
4 to an examination in a mental health facility determined to be
5 appropriate by the local mental health or intellectual and

7 reasonable period not to exceed 21 days. The magistrate may order a
8 defendant to a facility operated by the Department of State Health
9 Services or the Health and Human Services Commission [~~Department of~~
10 ~~Aging and Disability Services~~] for examination only on request of
11 the local mental health or intellectual and developmental
12 disability [~~mental retardation~~] authority and with the consent of

16 ~~Disability Services~~] for examination remains in the facility for a
17 period exceeding 21 days, the head of that facility shall cause the
18 defendant to be immediately transported to the committing court and
19 placed in the custody of the sheriff of the county in which the
20 committing court is located. That county shall reimburse the
21 facility for the mileage and per diem expenses of the personnel
22 required to transport the defendant calculated in accordance with
23 the state travel regulations in effect at the time.

24 (b) A written assessment of the information collected under
25 Subsection (a)(1)(A) shall be provided to the magistrate not later
26 than the 30th day after the date of any order issued under
27 Subsection (a) in a felony case and not later than the 10th day

1 after the date of any order issued under that subsection in a
2 misdemeanor case, and the magistrate shall provide copies of the
3 written assessment to the defense counsel, the prosecuting
4 attorney, and the trial court. The written assessment must include
5 a description of the procedures used in the collection of
6 information under Subsection (a)(1)(A) and the applicable expert's

12 belief that the defendant may be incompetent to stand trial and
13 should undergo a complete competency examination under Subchapter
14 B, Chapter 46B; and

15 (3) recommended treatment.

16 (c) After the trial court receives the applicable expert's

18 or elects to use the results of a previous determination as
19 described by Subsection (a)(2), the trial court may, as applicable:
