relating to authorizing the purchase of certain insurance coverage by public school districts for the benefit of businesses and students participating in career or technology training programs and providing for immunity from liability of certain public school students participating in career or technology programs.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter F, Chapter 29, Education Code, is amended by adding Sections 29.191 and 29.192 to read as follows:

(2) provided through a self-funded risk pool.

(c) The amount of coverage the district obtains must be reasonable considering the financial condition of the school

1 district and may not exceed the amount that, in the opinion of the
2 board of trustees, is reasonably necessary.

3 (d) If the board of trustees obtains health benefit plan,
4 liability, or automobile insurance coverage under this section, the
5 board shall notify the parent or guardian of each student
6 participating in the career and technology training program.

7 (e) The failure of any board of trustees to obtain coverage
8 authorized by this section may not be construed as placing any legal
9 liability on the school district or the district's officers,
10 agents, or employees for any injury that results.

11 Sec. 29.192. IMMUNITY FROM LIABILITY. A student who
12 participates in a career and technology training program sponsored
