18 the holders of title of the land within the proposed district as  
19 indicated by the county tax rolls [~~or, if there are more than 50~~  
20 ~~persons holding title to the land in the proposed district as~~  
21 ~~indicated by the county tax rolls, the request to the city will be~~  
22 ~~sufficient if it is signed by 50 holders of title to the land in the~~  
23 ~~district~~]. A petition for the written consent of a city to the  
24 inclusion of land within a district shall describe the boundaries  
25 of the land to be included in the district by metes and bounds or by  
26 lot and block number, if there is a recorded map or plat and survey  
27 of the area, and state the general nature of the work proposed to be

1 done, the necessity for the work, and the cost of the project as  
2 then estimated by those filing the petition. If, at the time a  
3 petition is filed with a city for creation of a district, the  
4 district proposes to connect to a city's water or sewer system or  
5 proposes to contract with a regional water and wastewater provider  
6 which has been designated as such by the commission as of the date  
7 such petition is filed, to which the city has made a capital  
8 contribution for the water and wastewater facilities serving the  
9 area, the proposed district shall be designated as a "city service  
10 district." If such proposed district does not meet the criteria for  
11 a city service district at the time the petition seeking creation is  
12 filed, such district shall be designated as a "noncity service  
13 district." The city's consent shall not place any restrictions or  
14 conditions on the creation of a noncity service district as defined  
15 by Chapter 54 of the Texas Water Code other than those expressly  
16 provided in Subsection (e) of this section and shall specifically  
17 not limit the amounts of the district's bonds. A city may not  
18 require annexation as a consent to creation of any district. A city  
19 shall not refuse to approve a district bond issue for any reason  
20 except that the district is not in compliance with valid consent  
21 requirements applicable to the district. If a city grants its  
22 written consent without the concurrence of the applicant to the  
23 creation of a noncity service district containing conditions or  
24 restrictions that the petitioning land owner or owners reasonably  
25 believe exceed the city's powers, such land owner or owners may  
26 petition the commission to create the district and to modify the  
27 conditions and restrictions of the city's consent. The commission

1 may declare any provision of the consent to be null and void.

2           SECTION 7. This Act takes effect immediately if it receives  
3 a vote of two-thirds of all the members elected to each house, as  
4 provided by Section 39, Article III, Texas Constitution. If this  
5 Act does not receive the vote necessary for immediate effect, this  
6 Act takes effect September 1, 2017.
