## A BILL TO BE ENTITLED

## AN ACT

2 relating to consent of municipalities in the creation of municipal 3 utility districts.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Sections 54.016(a) and (f), Water Code, are 6 amended to read as follows:

7 (a) No land within the corporate limits of a city or within the extraterritorial jurisdiction of a city, shall be included in a 8 9 district unless the city grants its written consent, by resolution or ordinance, to the inclusion of the land within the district in 10 11 accordance with Section 42.042, Local Government Code, and this 12 section. The request to a city for its written consent to the creation of a district, shall be signed by a majority in value of 13 14 the holders of title of the land within the proposed district as indicated by the county tax rolls or, if there are more than 50 15 persons holding title to the land in the proposed district as 16 indicated by the county tax rolls, the request to the city will be 17 sufficient if it is signed by 50 holders of title to the land in the 18 district. A petition for the written consent of a city to the 19 inclusion of land within a district shall describe the boundaries 20 21 of the land to be included in the district by metes and bounds or by lot and block number, if there is a recorded map or plat and survey 22 23 of the area, and state the general nature of the work proposed to be done, the necessity for the work, and the cost of the project as 24

1

then estimated by those filing the petition. If, at the time a 1 petition is filed with a city for creation of a district, the 2 3 district proposes to connect to a city's water or sewer system or proposes to contract with a regional water and wastewater provider 4 5 which has been designated as such by the commission as of the date such petition is filed, to which the city has made a capital 6 contribution for the water and wastewater facilities serving the 7 8 area, the proposed district shall be designated as a "city service district." If such proposed district does not meet the criteria for 9 a city service district at the time the petition seeking creation is 10 filed, such district shall be designated as a "noncity service 11 district." The city's consent shall not place any restrictions or 12 conditions on the creation of a noncity service district as defined 13 14 by this chapter [Chapter 54 of the Texas Water Code] other than 15 those expressly provided in Subsection (e) of this section and shall specifically not limit the amounts of the district's bonds. A 16 17 city may not require annexation as a consent to creation of any district. A city shall not refuse to approve a district bond issue 18 19 for any reason except that the district is not in compliance with valid consent requirements applicable to the district. If a city 20 grants its written consent without the concurrence of the applicant 21 to the creation of a noncity service district containing conditions 22 23 restrictions that the petitioning land owner or or owners 24 reasonably believe exceed the city's powers, such land owner or owners may petition the commission to create the district and to 25 modify the conditions and restrictions of the city's consent. The 26 commission may declare any provision of the consent to be null and 27

1 void. The commission may approve the creation of a district that includes any portion of the land covered by the city's consent to 2 creation of the district. The legislature may create and may 3 validate the creation of a district that includes any portion of the 4 land covered by the city's consent to the creation of the district. 5 6 (f) A city may provide in its written consent for the 7 inclusion of land in a district that is initially located wholly or 8 partly outside the corporate limits of the city that a contract ("allocation agreement") between the district and the city be 9 entered into prior to the first issue of bonds, notes, warrants, or

10 entered into prior to the first issue of bonds, notes, warrants, or 11 other obligations of the district. The allocation agreement shall 12 contain the following provisions:

(1) a method by which the district shall continue to exist following the annexation of all territory within the district by the city, if the district is [initially] located outside the corporate limits of the city <u>at the time the creation of the</u> <u>district is approved by the district's voters</u>;

18 (2) an allocation of the taxes or revenues of the 19 district or the city which will assure that, following the date of 20 the inclusion of all the district's territory within the corporate 21 limits of the city, the total annual ad valorem taxes collected by 22 the city and the district from taxable property within the district 23 does not exceed an amount greater than the city's ad valorem tax 24 upon such property;

(3) an allocation of governmental services to be
provided by the city or the district following the date of the
inclusion of all of the district's territory within the corporate

1 limits of the city; and

2 (4) such other terms and conditions as may be deemed3 appropriate by the city.

SECTION 2. The change in law made to Section 54.016(f), Water Code, as amended by this Act, applies only to an agreement entered into on or after the effective date of this Act. An agreement entered into before the effective date of this Act is governed by the law in effect on the date the agreement was entered into, and the former law is continued in effect for that purpose.

10

SECTION 3. This Act takes effect September 1, 2017.
