2-5 the Department of State Health Services under Sections 311.032 and
2-6 311.033 and any rules adopted by the executive commissioner of the
2-7 Health and Human Services Commission to implement those sections.

2-8 SUBCHAPTER C. GENERAL FINANCIAL PROVISIONS

2-9 Sec. 298A.101. HEARING. (a) In each year that the board
2-10 authorizes a program under this chapter, the board shall hold a
2-11 public hearing on the amounts of any mandatory payments that the
2-12 board intends to require during the year and how the revenue derived
2-13 from those payments is to be spent.

2-14 (b) Not later than the fifth day before the date of the
2-15 hearing required under Subsection (a), the board shall publish
2-16 notice of the hearing in a newspaper of general circulation in the
2-17 district and provide written notice of the hearing to each
2-18 institutional health care provider in the district.

2-19 Sec. 298A.102. DEPOSITORY. (a) If the board requires a
2-20 mandatory payment authorized under this chapter, the board shall
2-21 designate one or more banks as a depository for the district's local
2-22 provider participation fund.

2-23 (b) All funds collected under this chapter shall be secured
2-24 in the manner provided for securing other district funds.

2-25 Sec. 298A.103. LOCAL PROVIDER PARTICIPATION FUND;
2-26 AUTHORIZED USES OF MONEY. (a) If the district requires a
2-27 mandatory payment authorized under this chapter, the district shall
2-28 create a local provider participation fund.

2-29 (b) The local provider participation fund consists of:

2-30 (1) all revenue received by the district attributable
2-31 to mandatory payments authorized under this chapter;

2-32 (2) money received from the Health and Human Services
2-33 Commission as a refund of an intergovernmental transfer under the
2-34 program, provided that the intergovernmental transfer does not
2-35 receive a federal matching payment; and

2-36 (3) the earnings of the fund.

2-37 (c) Money deposited to the local provider participation
2-38 fund of the district may be used only to:

2-39 (1) fund intergovernmental transfers from the
2-40 district to the state to provide the nonfederal share of Medicaid
2-41 payments for:

2-42 (A) uncompensated care payments to nonpublic
2-43 hospitals affiliated with the district, if those payments are
2-44 authorized under the Texas Healthcare Transformation and Quality
2-45 Improvement Program waiver issued under Section 1115 of the federal
2-46 Social Security Act (42 U.S.C. Section 1315);

2-47 (B) uniform rate enhancements for nonpublic
2-48 hospitals in the Medicaid managed care service area in which the
2-49 district is located;

2-50 (C) payments available under another waiver
2-51 program authorizing payments that are substantially similar to
2-52 Medicaid payments to nonpublic hospitals described by Paragraph (A)
2-53 or (B); or

2-54 (D) any reimbursement to nonpublic hospitals for
2-55 which federal matching funds are available;

2-56 (2) subject to Section 298A.151(d), pay the
2-57 administrative expenses of the district in administering the
2-58 program, including collateralization of deposits;

2-59 (3) refund a mandatory payment collected in error from
2-60 a paying provider;

2-61 (4) refund to paying providers a proportionate share
2-62 of the money that the district:

2-63 (A) receives from the Health and Human Services
2-64 Commission that is not used to fund the nonfederal share of Medicaid
2-65 supplemental payment program payments; or

2-66 (B) determines cannot be used to fund the
2-67 nonfederal share of Medicaid supplemental payment program
2-68 payments;

2-69 (5) transfer funds to the Health and Human Services

3-1 Commission if the district is legally required to transfer the
3-2 funds to address a disallowance of federal matching funds with
3-3 respect to programs for which the district made intergovernmental
3-4 transfers described by Subdivision (1); and

3-5 (6) reimburse the district if the district is required
3-6 by the rules governing the uniform rate enhancement program
3-7 described by Subdivision (1)(B) to incur an expense or forego
3-8 Medicaid reimbursements from the state because the balance of the
3-9 local provider participation fund is not sufficient to fund that
3-10 rate enhancement program.

3-11 (d) Money in the local provider participation fund may not
3-12 be commingled with other district funds.

3-13 (e) Notwithstanding any other provision of this chapter,
3-14 with respect to an intergovernmental transfer of funds described by
3-15 Subsection (c)(1) made by the district, any funds received by the
3-16 state, district, or other entity as a result of that transfer may
3-17 not be used by the state, district, or any other entity to:

3-18 (1) expand Medicaid eligibility under the Patient
3-19 Protection and Affordable Care Act (Pub. L. No. 111-148) as amended
3-20 by the Health Care and Education Reconciliation Act of 2010 (Pub. L.
3-21 No. 111-152); or

3-22 (2) fund the nonfederal share of payments to nonpublic
3-23 hospitals available through the Medicaid disproportionate share
3-24 hospital program or the delivery system reform incentive payment
3-25 program.

3-26 SUBCHAPTER D. MANDATORY PAYMENTS

3-27 Sec. 298A.151. MANDATORY PAYMENTS BASED ON PAYING PROVIDER
3-28 NET PATIENT REVENUE. (a) Except as provided by Subsection (e), if
3-29 the board authorizes a health care provider participation program
3-30 under this chapter, the board may require an annual mandatory
3-31 payment to be assessed on the net patient revenue of each
3-32 institutional health care provider located in the district. The
3-33 board may provide for the mandatory payment to be assessed
3-34 quarterly. In the first year in which the mandatory payment is
3-35 required, the mandatory payment is assessed on the net patient
3-36 revenue of an institutional health care provider as determined by
3-37 the data reported to the Department of State Health Services under
3-38 Sections 311.032 and 311.033 in the most recent fiscal year for
3-39 which that data was reported. If the institutional health care
3-40 provider did not report any data under those sections, the
3-41 provider's net patient revenue is the amount of that revenue as
3-42 contained in the provider's Medicare cost report submitted for the
3-43 previous fiscal year or for the closest subsequent fiscal year for
3-44 which the provider submitted the Medicare cost report. If the
3-45 mandatory payment is required, the district shall update the amount
3-46 of the mandatory payment on an annual basis.

3-47 (b) The amount of a mandatory payment authorized under this
3-48 chapter must be uniformly proportionate with the amount of net
3-49 patient revenue generated by each paying provider in the district
3-50 as permitted under federal law. A health care provider
3-51 participation program authorized under this chapter may not hold
3-52 harmless any institutional health care provider, as required under
3-53 42 U.S.C. Section 1396b(w).

3-54 (c) If the board requires a mandatory payment authorized
3-55 under this chapter, the board shall set the amount of the mandatory
3-56 payment, subject to the limitations of this chapter. The aggregate
3-57 amount of the mandatory payments required of all paying providers
3-58 in the district may not exceed six percent of the aggregate net
3-59 patient revenue from hospital services provided by all paying
3-60 providers in the district.

3-61 (d) Subject to Subsection (c), if the board requires a
3-62 mandatory payment authorized under this chapter, the board shall
3-63 set the mandatory payments in amounts that in the aggregate will
3-64 generate sufficient revenue to cover the administrative expenses of
3-65 the district for activities under this chapter and to fund an
3-66 intergovernmental transfer described by Section 298A.103(c)(1).
3-67 The annual amount of revenue from mandatory payments that shall be
3-68 paid for administrative expenses by the district is \$150,000, plus
3-69 the cost of collateralization of deposits, regardless of actual

4-1 expenses.

4-2 (e) A paying provider may not add a mandatory payment
4-3 required under this section as a surcharge to a patient.

4-4 (f) A mandatory payment assessed under this chapter is not a
4-5 tax for hospital purposes for purposes of Section 4, Article IX,
4-6 Texas Constitution, or Section 281.045.

4-7 Sec. 298A.152. ASSESSMENT AND COLLECTION OF MANDATORY
4-8 PAYMENTS. (a) The district may designate an official of the
4-9 district or contract with another person to assess and collect the
4-10 mandatory payments authorized under this chapter.

4-11 (b) The person charged by the district with the assessment
4-12 and collection of mandatory payments shall charge and deduct from
4-13 the mandatory payments collected for the district a collection fee
4-14 in an amount not to exceed the person's usual and customary charges
4-15 for like services.

4-16 (c) If the person charged with the assessment and collection
4-17 of mandatory payments is an official of the district, any revenue
4-18 from a collection fee charged under Subsection (b) shall be
4-19 deposited in the district general fund and, if appropriate, shall
4-20 be reported as fees of the district.

4-21 Sec. 298A.153. PURPOSE; CORRECTION OF INVALID PROVISION OR
4-22 PROCEDURE; LIMITATION OF AUTHORITY. (a) The purpose of this
4-23 chapter is to authorize the district to establish a program to
4-24 enable the district to collect mandatory payments from
4-25 institutional health care providers to fund the nonfederal share of
4-26 a Medicaid supplemental payment program or the Medicaid managed
4-27 care rate enhancements for nonpublic hospitals to support the
4-28 provision of health care by institutional health care providers to
4-29 district residents in need of health care.

4-30 (b) This chapter does not authorize the district to collect
4-31 mandatory payments for the purpose of raising general revenue or
4-32 any amount in excess of the amount reasonably necessary to fund the
4-33 nonfederal share of a Medicaid supplemental payment program or
4-34 Medicaid managed care rate enhancements for nonpublic hospitals and
4-35 to cover the administrative expenses of the district associated
4-36 with activities under this chapter.

4-37 (c) To the extent any provision or procedure under this
4-38 chapter causes a mandatory payment authorized under this chapter to
4-39 be ineligible for federal matching funds, the board may provide by
4-40 rule for an alternative provision or procedure that conforms to the
4-41 requirements of the federal Centers for Medicare and Medicaid
4-42 Services. A rule adopted under this section may not create, impose,
4-43 or materially expand the legal or financial liability or
4-44 responsibility of the district or an institutional health care
4-45 provider in the district beyond the provisions of this chapter.
4-46 This section does not require the board to adopt a rule.

4-47 (d) The district may only assess and collect a mandatory
4-48 payment authorized under this chapter if a waiver program, uniform
4-49 rate enhancement, or reimbursement described by Section
4-50 298A.103(c)(1) is available to the district.

4-51 SECTION 2. As soon as practicable after the expiration of
4-52 the authority of the Dallas County Hospital District to administer
4-53 and operate a health care provider participation program under
4-54 Chapter 298A, Health and Safety Code, as added by this Act, the
4-55 board of hospital managers of the Dallas County Hospital District
4-56 shall transfer to each institutional health care provider in the
4-57 district that provider's proportionate share of any remaining funds
4-58 in any local provider participation fund created by the district
4-59 under Section 298A.103, Health and Safety Code, as added by this
4-60 Act.

4-61 SECTION 3. If before implementing any provision of this Act
4-62 a state agency determines that a waiver or authorization from a
4-63 federal agency is necessary for implementation of that provision,
4-64 the agency affected by the provision shall request the waiver or
4-65 authorization and may delay implementing that provision until the
4-66 waiver or authorization is granted.

4-67 SECTION 4. This Act takes effect immediately if it receives
4-68 a vote of two-thirds of all the members elected to each house, as
4-69 provided by Section 39, Article III, Texas Constitution. If this

5-1 Act does not receive the vote necessary for immediate effect, this
5-2 Act takes effect September 1, 2017.
