AN ACT

relating to improving the quality of teachers employed by a school district, teacher performance appraisals, and the hiring of mentor teachers.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter A, Chapter 21, Education Code, is amended by adding Sections 21.008 and 21.009 to read as follows:

Sec. 21.008. TEACHER QUALITY PLAN. (a) Each school district may adopt a plan to increase teacher quality in the district as provided by this section. The plan must address the district's efforts to improve teacher quality and performance, including:

- (1) teacher performance appraisals;
- (2) professional development opportunities;
- (3) peer mentoring opportunities;
- (4) career advancement opportunities; and
- (5) decisions relating to compensation.

(b) A plan adopted under this section must require a teacher's appraisal and performance to be a substantial factor in decisions regarding:

- (1) the professional development and peer mentoring opportunities available to the teacher;
- (2) the teacher's career advancement; and
- (3) the teacher's compensation.

1 (c) In determining the career advancement and compensation
2 of a teacher, a school district must consider:

3 (1) the number of years of teaching experience;
4 (2) the applicable minimum monthly salary for the
5 teacher under Section 21.402;

6 (3) the district's teacher quality plan;
7 (4) the appraisal criteria adopted by the district;

8 and

9 (5) the most recent appraisal of the teacher.

10 (d) A school district shall review the district's teacher
11 quality plan adopted under this section at least once every five
12 years, and shall revise the plan as necessary.

13 (e) If a district adopts a teacher quality plan under this
14 section, the district must submit a report detailing the plan to the
15 commissioner not later than September 1 of each year. The
16 commissioner shall make each report submitted under this subsection
17 available to the public on the agency's Internet website.

18 Sec. 21.009. TEACHER QUALITY GRANT PROGRAM. (a) The
19 commissioner shall establish a grant program to assist school
20 districts that have adopted a teacher quality plan under Section
21 21.008. The program must assist districts in:

22 (1) recruiting high-quality teachers;
23 (2) hiring peer mentors under Section 21.458(a-1);
24 (3) defraying teacher costs associated with obtaining
25 relevant certifications or training; and

26 (4) implementing programs to improve the quality of
27 teachers in the district.

1 (b) From available agency funds and any additional funds
2 appropriated for this purpose, the commissioner shall make grants
3 as provided by this section. In making grants to school districts,
4 the commissioner shall give preference to districts proposing to
5 use the funds at high-need campuses.

6 (c) A school district may apply to the commissioner for a
7 grant under this section. The commissioner may approve the
8 application only if the district:

9 (1) applies within the period and in the manner
10 required by rule adopted by the commissioner; and

11 (2) agrees to use each grant only for a purpose
12 described under Subsection (a).

13 (d) A grant a school district receives under this section is
14 in addition to any funding the district receives under Chapter 42.
15 A district to which Chapter 41 applies is entitled to a grant under
16 this section. The commissioner shall distribute funds under this
17 section as soon as practicable after the grant is approved, in a
18 manner determined by the commissioner.

19 (e) This section does not create a property right to a
20 grant. A school district is entitled to a grant to carry out the
21 purposes of this section only to the extent the commissioner makes
22 the grant in accordance with this section and only to the extent
23 sufficient state funds are available for those purposes.

24 (f) A decision of the commissioner concerning the amount of
25 money to which a school district is entitled under this section is
26 final and may not be appealed. Each district shall, in the manner
27 and at the time prescribed by the commissioner, provide to the

1 commissioner proof acceptable to the commissioner of the teacher
2 quality plan for which a grant awarded under this section is being
3 used.

4 (g) The commissioner may audit the expenditure of money
5 appropriated for purposes of this section. A district's use of the
6 money appropriated for purposes of this section shall be verified
7 as part of the district audit under Section 44.008.

8 (h) Any money received by a teacher as the result of a grant
9 awarded under this section is not considered in determining whether
10 the district is paying the teacher the minimum monthly salary under
11 Section 21.402.

12 (i) The commissioner may adopt rules for the distribution of
13 grants to school districts under this section and any other rules as
14 necessary to implement this section.
