SENATE RESOLUTION

BE IT RESOLVED by the Senate of the State of Texas, 85th Legislature, Regular Session, 2017, That Senate Rule 12.03 be suspended in part as provided by Senate Rule 12.08 to enable the conference committee appointed to resolve the differences on House Bill 22 (public school accountability) to consider and take action on the following matter:

(1) Senate Rule 12.03(3), is suspended to permit the committee to add text on a matter that is not in disagreement in proposed SECTION 8 of the bill, in added Section 39.053(c-3), Education Code, to read as follows:

(c-3) Any standard for improvement determined by the commissioner as described by Subsection (c)(2)(A) must allow for appropriately crediting a student for growth if the student performs at the highest achievement standard in the previous and current school year.

Explanation: The addition is necessary to provide an appropriate standard for measuring student growth in performance on assessment instruments.

(2) Senate Rule 12.03(3), is suspended to permit the committee to add text on a matter that is not in disagreement in proposed SECTION 10 of the bill, in amended Section 39.054(a), Education Code, by adding a sentence referencing added Section 39.0544, Education Code, to read as follows:

(a) The commissioner shall adopt rules to evaluate school

district and campus performance and assign each district and campus an overall performance rating of A, B, C, D, or F. In addition to the overall performance rating, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Section 39.053(c) [~~Sections 39.053(c)(1)-(4)~~]. An overall or domain performance rating of A reflects exemplary performance. An overall or domain performance rating of B reflects recognized performance. An overall or domain performance rating of C reflects acceptable performance. An overall or domain performance rating of D reflect performance that needs improvement. An overall or domain performance rating of [~~or~~] F reflects unacceptable performance. A district may not receive an overall or domain performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F. If a school district has been approved under Section 39.0544 to assign campus performance ratings and the commissioner has not assigned a campus an overall performance rating of D or F, the commissioner shall assign the campus an overall performance rating based on the school district assigned performance rating under Section 39.0544. A reference in law to an acceptable rating or acceptable performance includes an overall or domain performance rating of A, B, [~~or~~] C, or D or performance that is exemplary, recognized, or acceptable performance or performance that needs improvement.

Explanation: The addition is necessary to incorporate the local accountability system as a component in assigning

performance ratings.

(3) Senate Rule 12.03(3), is suspended to permit the committee to add text on a matter that is not in disagreement in proposed SECTION 10 of the bill, in amended Section 39.054(a-2), Education Code, by adding a reference to added Section 39.0544, Education Code, to read as follows:

(a-2) The commissioner by rule may [~~shall~~] adopt procedures to ensure that a repeated performance rating of D or F or unacceptable in one domain, particularly performance that is not significantly improving, is reflected in the overall performance rating of a district or campus under Section 39.0544 and is not compensated for by a performance rating of A, B, or C in another domain.

Explanation: The addition is necessary to provide a reference to the local accountability system.

(4) Senate Rules 12.03(2) and (4), are suspended to permit the committee to omit text that amended Section 39.0546, Education Code, relating to performance in community and student engagement as a component of district and campus rating, on a matter that is not in disagreement, and add text on a matter that is not included in either the house or senate version of the bill by repealing in SECTION 19 of the bill Section 39.0546, Education Code.

Explanation: The change is necessary to repeal Section 39.0546, Education Code, which is no longer necessary with the addition of the local accountability system.

Not later than a date established by the commissioner, the district or school shall:

(1) report the performance ratings to the agency;  
and

(2) make the performance ratings available to the public as provided by commissioner rule.

(6) Senate Rule 12.03(4), is suspended to permit the committee to add text on a matter that is not included in either the house or senate version of the bill in proposed SECTION 19 of

the bill by repealing Section 39.054(c), Education Code, as effective September 1, 2017.

Explanation: The addition is necessary to repeal Section 39.054(c), Education Code, which is no longer necessary under the modified performance evaluation system.

(7) Senate Rule 12.03(4), is suspended to permit the committee to add text on a matter that is not included in either the house or senate version of the bill in proposed SECTION 19 of the bill by repealing Section 39.0545, Education Code.

Explanation: The addition is necessary to repeal Section 39.0545, Education Code, which is no longer necessary with the addition of the local accountability system.
