**FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION**

**May 8, 2017**

**TO:** Honorable John Whitmire, Chair, Senate Committee on Criminal Justice

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: HB682** by Wu (Relating to the statute of limitations for aggravated assault.), As  
**Engrossed**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Code of Criminal Procedure to add aggravated assault to the list of offenses with a statute of limitation of three years. The bill would also make the statute of limitations for aggravated offenses the same as the primary crime if a limitation period has not otherwise been specifically provided. The Office of Court Administration indicates it does not anticipate a significant fiscal impact to the state court system as a consequence of implementing the provisions of the bill. This analysis assumes the provisions of the bill addressing felony sanctions would not result in a significant impact on state correctional agencies.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
