**IN RE: HB683** by Wu (Relating to the prosecution of the offense of possession or use of law enforcement identification, insignia, or vehicles, in a municipality and the clarification of the offenses of false identification as a peace officer and misrepresentation of property.), **Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Local Government Code and Penal Code allowing a municipality to charge a person with a Class B misdemeanor if the person uses, possess, wears, or operates false identification as a peace officer or misrepresentation of property including a vehicle.

The bill would take effect September 1, 2017.

**Local Government Impact**

A Class B misdemeanor is punishable by a fine of not more than \$2,000, confinement in jail for a term not to exceed 180 days, or both. Costs associated with enforcement, prosecution and confinement could likely be absorbed within existing resources. Revenue gain from fines imposed and collected is not anticipated to have a significant fiscal implication.
