Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

April 17, 2017

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB713** by Wu (Relating to a prohibition of a monitoring system performance indicator based solely on the number or percentage of students receiving special education services.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Education Code to prohibit the commissioner or the Texas Education Agency from adopting or implementing any performance indicator in any monitoring system that would solely evaluate the total number or percentage of students who receive special education services. In addition, the bill establishes that the prohibited performance indicator does not limit the commissioner or the agency from meeting federal law related to the collection and examination of data on the identification, placement, and disciplinary actions of children based on race or disabilities.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
