

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

May 24, 2017

TO: Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB1407 by Sheffield (Relating to the establishment of the emergency medical services assistance program.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated from provisions of the bill related to establishment and administration of the emergency medical services assistance program. The fiscal impact of providing financial and educational assistance to eligible emergency medical services providers cannot be determined because insufficient information is available.

The Act would only take effect if funds are appropriated specifically for this purpose in a general appropriations act by the 85th Legislature.

The bill would amend the Health and Safety Code relating to the establishment of the emergency medical services assistance program. Based on the LBB's analysis of the Department of State Health Services and the Health and Human Services Commission, duties and responsibilities associated with implementing and administering the EMS assistance program could be accomplished by utilizing existing resources.

Based on LBB analysis, the identified funding source for the emergency medical services assistance program, General Revenue-Dedicated Account No. 5046, is anticipated to be depleted during the 2018-19 biennium.

The bill would take effect September 1, 2017.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
