IN RE: **HB1525** by Krause (Relating to the issuance of specialty license plates to submarine veterans.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Transportation Code to require the Department of Motor Vehicles (DMV) to issue specialty license plates for persons who served on a submarine while in the United States Navy.

Based on the information and analysis provided by the DMV, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within the agency's existing resources.
