FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

April 14, 2017

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB1768** by Muñoz, Jr. (Relating to care coordination under the Medicaid managed care program.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would require the Health and Human Services Commission to streamline and clarify the provision of care coordination benefits across Medicaid programs and services for recipients receiving benefits in a managed care delivery model. It is assumed that the costs to implement the provisions of the bill could be absorbed within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
