**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: HB1785** by Lang (Relating to the designation of the structure on State Highway 6 in Eastland County adjacent to Lake Cisco connecting the north and south banks of Sandy Creek as the Bedford-Carmichael Bridge.), **As Introduced**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill would require the Texas Department of Transportation (TxDOT) to design, construct, and erect highway markers designating a structure on State Highway 6 as the Bedford-Carmichael Bridge, subject to Section 225.021 (c), Transportation Code.

Section 225.021 (c), Transportation Code, specifies that TxDOT may not design, construct, or erect the marker unless a grant or donation of funds is made to the department to cover the cost. Based on the analysis of TxDOT, it is assumed any duties associated with the implementation of the provisions of the bill could be absorbed within the agency's existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
