

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

April 25, 2017

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2093 by Miller (Relating to a study and report by the commissioner of education concerning consideration of the performance of gifted and talented students under the public school accountability system.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would require the Commissioner to complete a study and determine the most appropriate method for including the performance of gifted and talented (G/T) students served in program established under Subchapter D, Chapter 29, Education Code in the accountability system. The bill would require the Commissioner to submit a report by December 1, 2018 to certain legislative offices and the Governor on the recommended method for inclusion of G/T students in the accountability system along with proposed legislation.

The Texas Education Agency indicates minimal costs associated with the required study and report; however, this analysis assumes the agency can absorb the related costs by using existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
