**IN RE: HB2728** by Bohac (Relating to the evaluation of an application for a low income housing tax credit.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Government Code relating to the evaluation of an application for a low income housing tax credit. The bill would require an applicant to provide the Texas Department of Housing and Community Affairs (TDHCA) written statements of support from the state senator and state representative who represent the district containing the proposed development site.

TDHCA anticipates any additional work resulting from the passage of the bill could be reasonably absorbed within current resources.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
