

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

April 7, 2017

TO: Honorable James White, Chair, House Committee on Corrections

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2883 by Allen (Relating to the conditions of community supervision.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend the Code of Criminal Procedure to require that the conditions of community supervision be based on the results of a risk and needs assessment conducted using an instrument validated for such a purpose. The bill would clarify that a judge may only require a defendant to submit to drug or alcohol testing in certain circumstances. The bill would prohibit a judge from ordering a defendant to pay any amount of money unless the judge determines the defendant is financially able to do so. Based on the analysis of the Office of Court Administration and the Department of Criminal Justice, duties and responsibilities associated with implementing the provisions of the bill could be accomplished using existing resources.

Local Government Impact

According to the Office of Court Administration, the bill could impose additional duties upon adult probation officers to do risk assessments earlier in the case and delay certain court proceedings; however, no significant fiscal impact on local courts is anticipated.
