FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

May 5, 2017

TO: Honorable Kelly Hancock, Chair, Senate Committee on Business & Commerce

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **HB2928** by Stephenson (Relating to including the obligations of Federal Home Loan Banks as authorized investments for a governmental entity and the requirements for certificates of deposit or share certificates held as authorized investments for a governmental entity.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend Chapter 2256 of the Government Code, regarding public funds investment. The bill would add Federal Home Loan Banks to the list of approved issuers of obligations, including letters of credit, of the U.S. or its agencies and instrumentalities that are authorized investments for governmental entities. The bill would specify that certificates of deposit and share certificates would be authorized investments if they were secured in accordance with Chapter 2257 of this code (collateral for public funds).

Local Government Impact

According to the Texas Municipal League, the fiscal impact to municipalities is not anticipated to be significant.

According to a County Treasurers' Association of Texas (CTAT) analysis of similar provisions, the fiscal implication to counties cannot be determined but could be significant due to the potential loss of county monies on investments under the provisions of the bill.
