**Austin, Texas**

**FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION**

**May 5, 2017**

**TO:** Honorable Dan Huberty, Chair, House Committee on Public Education

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE:** **HB3347** by Huberty (Relating to before-school and after-school programs established by public school districts.), **Committee Report 1st House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would permit the board of trustees of a school district to establish before-school and/or after-school programs for students in elementary or middle school. The bill would direct the district to conduct a request for proposals to determine if a contract to provide services would be in the best interest of the district.

The bill would take effect September 1, 2017, or immediately if passed with the necessary voting margins.

**Local Government Impact**

There would be costs to districts relating to issuing requests for proposals and contracting with a licensed child-care facility to implement the program. However, district participation would be voluntary.
