The bill would amend the Transportation Code to require the Texas Department of Motor Vehicles (TxDMV) to issue specialty license plates for persons who have served in the 11th Armored Cavalry Regiment of the United States Army. The bill would require the new specialty plates to include the 11th Armored Cavalry Regiment emblem. The bill would require TxDMV to issue Disabled Veteran license plates depicting the emblem from a 11th Armored Cavalry Regiment specialty plate to which a person is entitled. The bill would take effect on September 1, 2017.

Based on LBB's analysis of information provided by TxDMV, it is assumed any costs associated with implementing the provisions of the bill could be absorbed within the agency's existing resources.
