**FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION**

**May 12, 2017**

**TO:** Honorable Kelly Hancock, Chair, Senate Committee on Business & Commerce

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE:** **HB3664** by King, Tracy O. (Relating to the establishment of a program for marketing, promotion, research, and education efforts regarding Texas wine; authorizing assessments.), **As Engrossed**

**No significant fiscal implication to the State is anticipated.**

The bill would amend Texas Agriculture Code, Chapter 41 by adding Subchapter J, creating a Texas Wine Marketing, Promotion, Research, and Education program. The bill would identify the Texas Wine Foundation as the certified organization to plan, implement, and operate the program, and would allow the Foundation to petition the Commissioner of the Texas Department of Agriculture (TDA) for the election of a Commodity Producers Board. The bill would allow the Board to establish, and the Foundation to operate, a state wine check off program separate from any wine check off program established by federal law, and would allow the Foundation to accept gifts, donations, and grants of money, including appropriated funds. The bill would allow the Commissioner, on the recommendation of the Foundation, to propose a maximum assessment amount on vineyard growers and wineries in a referendum, with certain rules defined concerning the referendum. Under the provisions of the bill, the assessments would not be state funds and would not be deposited to the treasury. The bill would take effect September 1, 2017.

TDA estimates that administrative costs associated with implementing the provisions of the bill could be absorbed using existing resources.

**Local Government Impact**
