

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION**

**March 8, 2017**

**TO:** Honorable Kelly Hancock, Chair, Senate Committee on Business & Commerce

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: SB29** by Creighton (Relating to state contracts with and investments in companies that boycott Israel.), **As Introduced**

**Depending upon the number of entities that contract with or investment in companies that boycott Israel, there could be an indeterminate fiscal impact to the state.**

The bill would amend the Government Code to require a governmental entity contracting for goods or services to include in its contract a written verification from the contracting company stating the company does not boycott Israel and will not boycott Israel during the term of the contract.

The bill would also require the Comptroller of Public Accounts (CPA) to prepare and maintain a list of all companies that boycott Israel. Under certain circumstances, the bill would require state pension systems, the University of Texas Investment Management Company, and the Permanent School Fund to sell, redeem, divest, or withdraw publicly traded securities of a company that boycotts Israel. Pursuant to the bill's reporting and notification provisions, the Attorney General would receive both CPA's list of companies that boycott Israel and reports from state governmental entities regarding their divestment from listed companies. The bill would grant the Attorney General civil enforcement authority with regards to the bill's provisions relating to prohibition on investment in companies that boycott Israel. The bill would take effect on September 1, 2017.

CPA, the General Land Office, the Teacher Retirement System, the Employees Retirement System, and the University of Texas System indicate that the costs associated with implementing the provisions of the bill cannot be estimated.

The Office of the Attorney General and the Texas Education Agency indicate that any costs associated with the bill could be absorbed within the respective agency's current resources.

The Texas Emergency Services Retirement System estimates that there would be minimal cost associated with implementing the provisions of the bill.

## **Local Government Impact**

According to the Texas County and District Retirement System (TCDRS), no fiscal impact to TCERS is anticipated.
