Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

April 13, 2017

TO: Honorable Larry Taylor, Chair, Senate Committee on Education

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB754 by Perry (Relating to the extension and modification of a public school district depository contract.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Education Code to allow school districts and their depository banks to extend a depository contract for three additional two-year terms and to modify the contract for the extension if both parties mutually agree to the terms.

Local Government Impact

Based on information provided by the Texas Education Agency, school districts that chose to extend their depository contracts beyond current statutory requirements could realize a savings resulting from less frequent requests for proposals for depository contracts. Depending on the decreased number of requests for proposals, such savings could be significant.
