

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

May 27, 2017

TO: Honorable Dan Patrick, Lieutenant Governor, Senate
Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **SB968** by Watson (Relating to a sexual assault policy at certain public and private institutions of higher education and to requiring those institutions to provide students and employees an option to electronically report certain offenses to the institution.),
Conference Committee Report

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would require public and private postsecondary educational institutions to adopt a sexual assault policy applicable to any person employed by the institution and to each student enrolled in the institution. The bill would require public and private postsecondary institutions to provide students and employees an option to electronically report to the institution allegations of sexual harassment, sexual assault, dating violence, or stalking committed against or witnessed by the student or employee, regardless of the location at which the alleged offense occurred. The bill would require institutions to provide information to students regarding the protocol for reporting incidents of campus sexual assault. The Higher Education Coordinating Board could adopt rules to administer provisions of the bill. The bill would require the commissioner of higher education to establish a nine member advisory committee comprised of the chief executive officers of the postsecondary educational institution or a representative designated by that officers. The advisory committee would submit recommendations to the Higher Education Coordinating Board regarding rules for implementing provisions of the bill. Based on the analysis provided by institutions of higher education, duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources. It is assumed that the Higher Education Coordinating Board could implement provisions of the bill within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
