IN RE: SB1317 by Uresti (Relating to the earliest day a public school teacher may be required to report for service.), **Committee Report 1st House, Substituted**

No fiscal implication to the State is anticipated.

The bill would amend the Education Code to limit how early a district can require teachers to report at the beginning of a school year.

Local Government Impact

No significant fiscal implication to units of local government is anticipated. Some districts may incur nominal administrative expenses to ensure all timelines are met and school calendars align with the bill's provisions, and if professional development and other events must be rescheduled to comply with the bill.
