

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

May 10, 2017

TO: Honorable John Kuempel, Chair, House Committee on Licensing & Administrative Procedures

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: **SB1501** by Zaffirini (Relating to the regulation of motor vehicle towing, booting, and storage and to the elimination of required state licensing for vehicle booting companies and operators.), **Committee Report 2nd House, Substituted**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would repeal state licensing and regulation requirements for boot operators and booting companies effective September 1, 2018. The bill would authorize local authorities to regulate booting activities in areas where the authorities regulate parking or traffic, including the authority to incorporate requirements for booting companies and operators, establish procedures for vehicle owners and operators to file complaints, provide for the imposition of penalties on a booting company or operator, and provide for the revocation of the authority to boot vehicles.

Except as otherwise specified, the bill would take effect immediately if it received a vote of two thirds of all the members elected to each house. If it does not receive the vote necessary for immediate effect, the bill would take effect September 1, 2017.

The Texas Department of Licensing and Regulation estimates there would be an annual loss of approximately \$11,000 beginning in fiscal year 2019 and minimal savings to the agency associated with the deregulation of the industry.

Based on the analysis of Texas A&M University System Administrative and General Offices, University of Houston System Administration, The University of Texas System Administration, and the University of North Texas System Administration, duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
