**Fiscal Analysis**

The bill would amend Education Code as it relates to the regulation of certain degree-granting postsecondary educational institutions by the Higher Education Coordinating Board (Board). Under provisions of the bill, the Board could maintain a repository for academic records from closed institutions that were exempt or were authorized to operate under a certificate of authorization or certificate of authority. The bill would take effect September 1, 2017. Under provisions of the bill, the Act takes effect only if a specific appropriation for the implementation of the Act is provided in a general appropriations act of the 85th Legislature.

**Methodology**

For purposes of this fiscal note it is assumed the Higher Education Coordinating Board would maintain the repository. Based on information provided by the agency, three additional FTEs, two program directors and one program specialist, would be needed to create and maintain the repository. The total costs for these three FTEs, including salaries and wages, retirement and other costs would be \$255,343 in fiscal year 2018 and \$240,343 in fiscal year 2019 and subsequent years.

Senate Bill 1 as Engrossed includes \$500,000 for the 2018-19 biennium for this program. Under provisions of the bill, the Act takes effect only if a specific appropriation for the implementation of the Act is provided in a general appropriations act of the 85th Legislature.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
