

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

May 6, 2017

TO: Honorable Harold V. Dutton, Jr., Chair, House Committee on Juvenile Justice & Family Issues

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: SB1836 by Burton (Relating to a study on the adjudication of juveniles charged with misdemeanors punishable by fine only and the use of certain terms signifying age in the criminal justice and juvenile justice statutes of this state.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would require the Office of Court Administration (OCA) to conduct a study examining the use of the terms "juvenile," "child," and "minor" in state law and the varying definitions assigned to those terms. The bill would require OCA to determine whether adjudication of juveniles charged with fine-only misdemeanors in the adult criminal justice system is just and efficient and whether procedures for adjudication of these offenses in the juvenile justice system would be more just and efficient. The bill would require OCA to submit its report not later than December 1, 2018.

While this study would require OCA to devote resources to it, OCA anticipates using existing resources for the study. Therefore, no significant fiscal impact to the state court system is anticipated.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
