

Daphne Lemelle is the Community Development Director at the Harris County Community Services Department. As Community Development Director, Ms. Lemelle oversees the distribution and monitoring of U.S. Department of Housing and Urban Development (HUD) grant funds awarded to Harris County on an annual basis in support of affordable housing, public services and public improvements. In addition to annual HUD grants, Ms. Lemelle oversaw the County's disaster recovery operations following Hurricane Ike and is currently overseeing the implementation of the 2015, 2016 and the upcoming Harvey recovery programs for the County.
