10 SUBCHAPTER D. MANDATORY PAYMENTS

11 Sec. 292A.151. MANDATORY PAYMENTS BASED ON PAYING HOSPITAL
12 NET PATIENT REVENUE. (a) Except as provided by Subsection (e), the
13 commissioners court of a county that collects a mandatory payment
14 authorized under this chapter may require an annual mandatory
15 payment to be assessed on the net patient revenue of each
16 institutional health care provider located in the county. The
17 commissioners court may provide for the mandatory payment to be
18 assessed quarterly. In the first year in which the mandatory
19 payment is required, the mandatory payment is assessed on the net
20 patient revenue of an institutional health care provider as
21 determined by the data reported to the Department of State Health
22 Services under Sections 311.032 and 311.033 in the fiscal year
23 ending in 2015 or, if the institutional health care provider did not
24 report any data under those sections in that fiscal year, as
25 determined by the institutional health care provider's Medicare
26 cost report submitted for the 2015 fiscal year or for the closest
27 subsequent fiscal year for which the provider submitted the

1 Medicare cost report. The county shall update the amount of the
2 mandatory payment on an annual basis.

3 (b) The amount of a mandatory payment authorized under this
4 chapter must be uniformly proportionate with the amount of net
5 patient revenue generated by each paying hospital in the county. A
6 mandatory payment authorized under this chapter may not hold
7 harmless any institutional health care provider, as required under
8 42 U.S.C. Section 1396b(w).

9 (c) The commissioners court of a county that collects a
10 mandatory payment authorized under this chapter shall set the
11 amount of the mandatory payment. The amount of the mandatory
12 payment required of each paying hospital may not exceed an amount
13 that, when added to the amount of the mandatory payments required
14 from all other paying hospitals in the county, equals an amount of
15 revenue that exceeds six percent of the aggregate net patient
16 revenue of all paying hospitals in the county.

17 (d) Subject to the maximum amount prescribed by Subsection
18 (c), the commissioners court of a county that collects a mandatory
19 payment authorized under this chapter shall set the mandatory
20 payments in amounts that in the aggregate will generate sufficient
21 revenue to cover the administrative expenses of the county for
22 activities under this chapter, to fund an intergovernmental
23 transfer described by Section 292A.103(c)(1), and to pay for
24 indigent programs, except that the amount of revenue from mandatory
25 payments used for administrative expenses of the county for
26 activities under this chapter in a year may not exceed the lesser of
27 four percent of the total revenue generated from the mandatory

1 payment or \$20,000.

2 (e) A paying hospital may not add a mandatory payment
3 required under this section as a surcharge to a patient.

4 Sec. 292A.152. ASSESSMENT AND COLLECTION OF MANDATORY
5 PAYMENTS. (a) Except as provided by Subsection (b), the county tax
6 assessor-collector shall collect the mandatory payment authorized
7 under this chapter. The county tax assessor-collector shall charge
8 and deduct from mandatory payments collected for the county a fee
9 for collecting the mandatory payment in an amount determined by the
10 commissioners court of the county, not to exceed the county tax
11 assessor-collector's usual and customary charges.

12 (b) If determined by the commissioners court to be
13 appropriate, the commissioners court may contract for the
14 assessment and collection of mandatory payments in the manner
15 provided by Title 1, Tax Code, for the assessment and collection of
16 ad valorem taxes.

17 (c) Revenue from a fee charged by a county tax
18 assessor-collector for collecting the mandatory payment shall be
19 deposited in the county general fund and, if appropriate, shall be
20 reported as fees of the county tax assessor-collector.

21 Sec. 292A.153. INTEREST, PENALTIES, AND DISCOUNTS.
22 Interest, penalties, and discounts on mandatory payments required
23 under this chapter are governed by the law applicable to county ad
24 valorem taxes.

25 Sec. 292A.154. PURPOSE; CORRECTION OF INVALID PROVISION OR
26 PROCEDURE. (a) The purpose of this chapter is to generate revenue
27 by collecting from institutional health care providers a mandatory

1 payment to be used to provide the nonfederal share of a Medicaid
2 supplemental payment program.

3 (b) To the extent any provision or procedure under this
4 chapter causes a mandatory payment authorized under this chapter to
5 be ineligible for federal matching funds, the county may provide by
6 rule for an alternative provision or procedure that conforms to the
7 requirements of the federal Centers for Medicare and Medicaid
8 Services.

9 SECTION 2. If before implementing any provision of this Act
10 a state agency determines that a waiver or authorization from a
11 federal agency is necessary for implementation of that provision,
12 the agency affected by the provision shall request the waiver or
13 authorization and may delay implementing that provision until the
14 waiver or authorization is granted.

15 SECTION 3. This Act takes effect immediately if it receives
16 a vote of two-thirds of all the members elected to each house, as
17 provided by Section 39, Article III, Texas Constitution. If this
18 Act does not receive the vote necessary for immediate effect, this
19 Act takes effect September 1, 2017.

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

May 24, 2017

TO: Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2062 by Phillips (Relating to the creation and operations of health care provider participation programs in certain counties.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated.

The bill would amend the Health and Safety Code by adding a chapter to establish a health care provider participation program for certain counties that have a population more than 100,000 and contains two municipalities, each with a population of more than 15,000, that is not served by a hospital district or public hospital, and borders the Red River.

The health care provider participation program would authorize a county to collect mandatory payments from nonpublic hospitals that provides inpatient hospital services. These payments would be deposited into a local provider participation fund to fund intergovernmental transfers and subsidize indigent care programs. Intergovernmental transfers would be used by the Health and Human Services Commission (HHSC) as the nonfederal share to draw down Medicaid supplemental payments including payments to the Medicaid managed care program that are dedicated for payment to hospitals. The bill specifies that if a state agency determines that a waiver from a federal agency is necessary, the agency shall request the waiver and delay implementation until such waiver is received.

The non-federal share of Texas Medicaid supplemental payments is provided largely by local public funds provided to HHSC by intergovernmental transfer. The bill's amendments do not contain any implications for state General Revenue funds. According to the Department of Health and Human Services, there would be no significant fiscal impact to the agency resulting from implementation of the bill.

According to the Health and Human Services Commission, there is no significant fiscal impact to the state anticipated from the bill.

The bill would take effect immediately if it receives a vote of two-thirds of each house. If the bill does not receive the vote necessary for immediate effect it would take effect September 1, 2017.

Local Government Impact

The Health and Human Services Commission assumes there is no fiscal impact to local government entities from the bill.

According to Grayson County, the bill would have no significant fiscal impact on the budget of the county; however, it would provide additional funding to supplement uncompensated care for indigent individuals.

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

May 8, 2017

TO: Honorable Charles Schwertner, Chair, Senate Committee on Health & Human Services

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2062 by Phillips (Relating to the creation and operations of health care provider participation programs in certain counties.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend the Health and Safety Code by adding a chapter to establish a health care provider participation program for certain counties that have a population more than 100,000 and contains two municipalities, each with a population of more than 15,000, that is not served by a hospital district or public hospital, and borders the Red River.

The health care provider participation program would authorize a county to collect mandatory payments from nonpublic hospitals that provides inpatient hospital services. These payments would be deposited into a local provider participation fund to fund intergovernmental transfers and subsidize indigent care programs. Intergovernmental transfers would be used by the Health and Human Services Commission (HHSC) as the nonfederal share to draw down Medicaid supplemental payments including payments to the Medicaid managed care program that are dedicated for payment to hospitals. The bill specifies that if a state agency determines that a waiver from a federal agency is necessary, the agency shall request the waiver and delay implementation until such waiver is received.

The non-federal share of Texas Medicaid supplemental payments is provided largely by local public funds provided to HHSC by intergovernmental transfer. The bill's amendments do not contain any implications for state General Revenue funds. According to the Department of Health and Human Services, there would be no significant fiscal impact to the agency resulting from implementation of the bill.

According to the Health and Human Services Commission, there is no significant fiscal impact to the state anticipated from this bill.

This bill takes effect immediately if it receives a vote of two-thirds of all the members elected to each house. If the bill does not receive the vote necessary for immediate effect it takes effect September 1, 2017.

Local Government Impact

The Health and Human Services Commission assumes there is no fiscal impact to local government entities from this bill.

According to Grayson County, the bill would have no significant fiscal impact on the budget of the county; however, it would provide additional funding to supplement uncompensated care for indigent individuals.
