Medicaid benefits include limited or no dental services and who, as a result, have sought medically necessary dental services during an emergency room visit;

(2) if feasible, estimate the number of adults with disabilities who are receiving services under the Medicaid program and who have access to alternative sources of dental care, including pro bono dental services, faith-based dental services providers, and other public health care providers; and

(3) collect data on the receipt of dental services during emergency room visits by adults with disabilities who are receiving services under the Medicaid program, including the reasons for seeking dental services during an emergency room visit and the costs of providing the dental services during an emergency room visit, as compared to the cost of providing the dental services in the community.

(c) Not later than December 1, 2018, the Health and Human Services Commission shall submit a report containing the results of the study conducted under Subsection (a) of this section and the commission's recommendations for improving access to dental services in the community for and reducing the provision of dental services during emergency room visits to adults with disabilities receiving services under the Medicaid program to the governor, the legislature, and the Legislative Budget Board. The report required by this subsection may be combined with any other report required by this Act or other law. [FA1]

SECTION 3. If before implementing any provision of this Act a state agency determines that a waiver or authorization from a federal agency is necessary for implementation of that provision, the agency affected by the provision shall request
