Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution

House Bill (HB) 4646, as Filed by Representative Sam Harless - Relating to the powers and duties of the Cy-Champ Public Utility District; providing authority to issue bonds; providing authority to impose a tax

Dear Speaker Bonnen:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

This bill amends the Special Districts Local Laws Code related to Cy-Champ Public Utility District. The bill grants the District road powers. The bill allows the District to establish defined areas. The bill allows the District to add or exclude land from the defined areas in the same manner the District may add or exclude land from the District. The bill specifies that at the time of issuance, the total principal amount of bonds or other obligations issued or incurred to finance road projects and payable from ad valorem taxes may not exceed one-fourth of the assessed value of real property in the District.

Sincerely,

Handwritten signature of Cari-Michel La Caille in cursive.

Cari-Michel La Caille, Director
Water Supply Division
