Re: Responsibility of the Texas Commission on Environmental Quality (TCEQ) Pursuant to Article XVI, Section 59(d), Texas Constitution

House Bill (HB) 4732, as Filed by Representative Tracy O. King - Relating to boundaries of the Anthem Municipal Utility District.

Dear Speaker Bonnen:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

The bill amends Chapter 7979, Special Districts Local Laws Code, related to Anthem Municipal Utility District (District). The bill codifies the territory of the District.

Sincerely,

A handwritten signature in cursive script that reads "Cari-Michel La Caille".

Cari-Michel La Caille, Director  
Water Supply Division

cc: Honorable Tom Craddick, Chairman, House Land & Resource Management Committee  
Representative Tracy O. King, Texas House of Representatives

**HB 4732, as Filed by Representative Tracy O. King  
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

The bill amends Chapter 7979, Special Districts Local Laws Code, related to Anthem Municipal Utility District (District); the bill defines the territory of the District.

**Overlapping Services:** TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

**TCEQ's Supervision:** As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.
