Enclosure

**SB 2518, as Filed by Senator Carol Alvarado  
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

This bill creates East Houston Management District (District) with the powers and duties of a standard municipal management district under Local Government Code Chapter 375.

**Comments on Powers/Duties Different from Similar Types of Districts:**

On receipt of a petition signed by a majority of the owners of real property in the District according to the most recent certified tax appraisal roll for the county, the initial board shall hold an election to confirm the creation of the District; the District is governed by a board of eleven directors appointed by the City of Houston (City); the District may provide, design, construct, acquire, improve, relocate, operate, maintain, or finance an improvement project or service using money available to the District, or contract with a governmental or private entity to provide, design, construct, acquire, improve, relocate, operate, maintain, or finance an improvement project or service; the District, using money available to the district, may exercise the powers given to a development corporation under Chapter 505, Local Government Code, including the power to own, operate, acquire, construct, lease, improve, or maintain a project; the board by resolution may authorize the creation of a nonprofit corporation with the powers created under Subchapter D, Chapter 431, Transportation Code; the District may contract with a qualified party, including Harris County or the City, to provide law enforcement services in the district for a fee; the District may join and pay dues to a charitable or nonprofit organization that performs a service or provides an activity consistent with the furtherance of a District purpose; the District may engage in activities that accomplish the economic development purposes of the District; if the Legislature grants the District a power that is in addition to the powers approved by the initial resolution of the City consenting to the creation of the District, the District may not exercise that power unless the City consents to that change by resolution; the District may not exercise the power of eminent domain; the board may not finance a service or improvement project with assessments under this chapter unless a written petition requesting that service or

improvement has been filed with the board; the District may establish user charges related to the operation of storm water facilities, including the regulation of storm water for the protection of water quality in the District; the District may establish user charges for the use of nonpotable water for irrigation purposes, subject to approval of the City; the City by ordinance may dissolve the district only if the District's outstanding debt or contractual obligations that are payable from ad valorem taxes have been repaid or discharged, or the City has affirmatively assumed the obligation to pay the outstanding debt from City revenue; and the board shall dissolve the District on receipt of a written petition requesting dissolution signed by a majority of the owners of real property in the District only if the District's outstanding debt or contractual obligations that are payable from ad valorem taxes have been repaid or discharged, or the City has affirmatively assumed the obligation to pay the outstanding debt from City revenue.

**Overlapping Services:** TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

**TCEQ's Supervision:** As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subtitle C, Title 4, Special District Local Laws Code, is amended by adding Chapter 3923 to read as follows:

CHAPTER 3923. EAST HOUSTON MANAGEMENT DISTRICT

Sec. 3923.0103. CONFIRMATION ELECTION REQUIRED. (a) On receipt of a petition signed by a majority of the owners of real property in the district according to the most recent certified tax appraisal roll for the county, the initial board shall hold an election to confirm the creation of the district in the manner

1 provided by Subchapter D, Chapter 49, Water Code.

2 (b) The board may not issue bonds or other obligations  
3 unless the creation of the district is confirmed as provided by this  
4 section.

5 Sec. 3923.0104. PURPOSE; LEGISLATIVE FINDINGS. (a) The  
6 creation of the district is essential to accomplish the purposes of  
7 Sections 52 and 52-a, Article III, and Section 59, Article XVI,  
8 Texas Constitution, and other public purposes stated in this  
9 chapter. By creating the district and in authorizing the city and  
10 other political subdivisions to contract with the district, the  
11 legislature has established a program to accomplish the public  
12 purposes set out in Section 52-a, Article III, Texas Constitution.

13 (b) The creation of the district is necessary to promote,  
14 develop, encourage, and maintain employment, commerce,  
15 transportation, housing, tourism, recreation, the arts,  
16 entertainment, economic development, safety, and the public  
17 welfare in the district.

18 (c) The district is created to supplement and not to  
19 supplant city services provided in the district.

20 Sec. 3923.0105. FINDINGS OF PUBLIC USE AND BENEFIT. (a)  
21 The district is created to serve a public use and benefit.

22 (b) All land and other property included in the district  
23 will benefit from the improvements and services to be provided by  
24 the district under powers conferred by Sections 52 and 52-a,  
25 Article III, and Section 59, Article XVI, Texas Constitution, and  
26 other powers granted under this chapter.

27 (c) The creation of the district is in the public interest

1 and is essential to further the public purposes of:

2 (1) developing and diversifying the economy of the  
3 state;

4 (2) eliminating unemployment and underemployment;

5 (3) developing or expanding transportation and  
6 commerce; and

7 (4) providing quality residential housing.

8 (d) The district will:

9 (1) promote the health, safety, and general welfare of  
10 residents, employers, potential employees, employees, visitors,  
11 and consumers in the district, and of the public;

12 (2) provide needed funding for the district to  
13 preserve, maintain, and enhance the economic health and vitality of  
14 the district territory as a residential community and business  
15 center; and

16 (3) promote the health, safety, welfare, and enjoyment  
17 of the public by providing pedestrian ways and by landscaping,  
18 removing graffiti from, and developing certain areas in the  
19 district, which are necessary for the restoration, preservation,  
20 and enhancement of scenic beauty.

21 (e) Pedestrian ways along or across a street, whether at  
22 grade or above or below the surface, and street lighting, street  
23 landscaping, vehicle parking, and street art objects are parts of  
24 and necessary components of a street and are considered to be an  
25 improvement project that includes a street or road improvement.

26 (f) The district will not act as the agent or  
27 instrumentality of any private interest even though the district

1 will benefit many private interests as well as the public.

2 Sec. 3923.0106. DISTRICT TERRITORY. (a) The district is  
3 initially composed of the territory described by Section 2 of the  
4 Act enacting this chapter.

5 (b) The boundaries and field notes contained in Section 2 of  
6 the Act enacting this chapter form a closure. A mistake in the  
7 field notes or in copying the field notes in the legislative process  
8 does not affect the district's:

9 (1) organization, existence, or validity;

10 (2) right to issue any type of bond for the purposes  
11 for which the district is created or to pay the principal of and  
12 interest on a bond;

13 (3) right to impose or collect an assessment or tax; or

14 (4) legality or operation.

15 Sec. 3923.0107. ELIGIBILITY FOR INCLUSION IN SPECIAL ZONES.

21 Chapter 312, Tax Code;

22 (3) an enterprise zone created under Chapter 2303,  
23 Government Code; or

24 (4) an industrial district created under Chapter 42,  
25 Local Government Code.

26 (b) If the city creates a tax increment reinvestment zone  
27 described by Subsection (a), the city and the board of directors of

1 the zone, by contract with the district, may grant money deposited  
2 in the tax increment fund to the district to be used by the district  
3 for the purposes permitted for money granted to a corporation under  
4 Section 380.002(b), Local Government Code, including the right to  
5 pledge the money as security for any bonds issued by the district  
6 for an improvement project. A project may not receive public funds  
7 under Section 380.002(b), Local Government Code, unless the project  
8 has been approved by the governing body of the city.

9 Sec. 3923.0108. APPLICABILITY OF MUNICIPAL MANAGEMENT  
10 DISTRICTS LAW. Except as otherwise provided by this chapter,  
11 Chapter 375, Local Government Code, applies to the district.

12 Sec. 3923.0109. CONSTRUCTION OF CHAPTER. This chapter

14 purposes stated in this chapter.

13 (c) The lien is effective from the date of the board's
