

Amend **CSHB 1** (house committee printing) in Article V of the bill, following the appropriations to the Department of Public Safety, in Rider 38, Border Security Cost Containment Efforts (pages V-54 and 55), immediately after the first sentence of the rider, by inserting the following:

The report must establish measurable outcomes for success regarding border security. The outcomes should be defined and disaggregated on factors including, but not limited to, apprehensions, narcotic seizures, and crime statistics at the border.
