

Amend CSHB 496 (house committee report) as follows:

(1) On page 2, between lines 23 and 24, insert the following:

(b-1) A district's school safety and security committee or the charter school's governing body may select, as easily accessible areas of the campus at which bleeding control stations may be stored, areas of the campus where automated external defibrillators are stored.

(2) On page 3, strike lines 10 through 23 and substitute the following:

(d-1) A bleeding control station required under this section must contain a first aid bleeding control kit that includes each of the items required under Subsection (e), in appropriate quantities as provided by that subsection, based on one of three options selected by the district or school. A district or school may select:

(1) as option one, that each bleeding control station located at the district or school include a first aid bleeding control kit containing the appropriate quantity of required supplies to treat eight injured persons;

(2) as option two, that each bleeding control station of the district or school include a first aid bleeding control kit containing the appropriate quantity of required supplies to treat five injured persons; or

(3) as option three, that each bleeding control station of the district or school include a first aid bleeding control kit containing all required supplies in quantities determined appropriate by the superintendent of the district or the director of the school.

(e) A first aid bleeding control kit must include the following supplies, in quantities applicable to the option selected under Subsection (e), as follows:

(1) tourniquets that include a locking mechanism:

(A) eight, if option one is selected;

(B) five, if option two is selected; or

(C) the quantity determined appropriate by the superintendent or director, if option three is selected;

(2) chest seals:

(A) eight, if option one is selected;

(B) five, if option two is selected; or

(C) the quantity determined appropriate by the superintendent or director, if option three is selected;

(3) patient care cards:

(A) eight, if option one is selected;

(B) five, if option two is selected; or

(C) the quantity determined appropriate by the superintendent or director, if option three is selected;

(4) pairs of latex-free gloves:

(A) five, if option one or option two is selected; or

(B) the quantity determined appropriate by the superintendent or director, if option three is selected;

(5) space emergency blankets:

(A) five, if option one or option two is selected; or

(B) the quantity determined appropriate by the superintendent or director, if option three is selected;

(6) hemostatic-impregnated gauze dressings:

(A) two, if option one or option two is selected; or

(B) the quantity determined appropriate by the superintendent or director, if option three is selected;

(7) permanent markers:

(A) two, if option one or option two is selected; or

(B) the quantity determined appropriate by the superintendent or director, if option three is selected;

(8) pairs of trauma shears:

(A) two, if option one or option two is selected; or

(B) the quantity determined appropriate by the superintendent or director, if option three is selected;

(9) compression bandages;

(A) two, if option one or option two is selected;

or

(B) the quantity determined appropriate by the superintendent or director, if option three is selected;

(10) one hard-shell case, regardless of the option selected; and

(11) one emergency alerting device, regardless of the option selected.

(3) On page 5, line 1, between "person" and the underlined period, insert ",including instruction on proper chest seal placement".
