### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The purpose of this legislation is to create a new military license plate within the Texas Department of Motor Vehicles for veterans who have received the Army of Occupation medal. The Army of Occupation Medal emblem and words "Army of Occupation Medal" will be displayed on the license plate. One set of these license plates shall be issued to the medal recipient exempt of the registration fee.

Currently, the Texas Department of Motor Vehicles does not offer the Army of Occupation Medal for World War II veterans who have this medal. The Army Occupation Medal was established by War Department Circular 102, dated April 5, 1946, and was awarded until October 2, 1990.

We do not anticipate any opposition to this legislation, as creation of military license plates has been an integral part of further demonstrating our support of our military personnel.

As proposed, S.B. 225 amends current law relating to the issuance of Army of Occupation Medal specialty license plates and provides an exemption from a fee.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
