### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Research shows that when opioid antagonists and overdose education are available to community members, overdose deaths decrease in those communities.

S.B. 435 directs each local school health advisory council to recommend appropriate opioid addiction and abuse curriculum for the district including methods of administering an opioid antagonist. (Original Author's/Sponsor's Statement of Intent)

S.B. 435 amends current law relating to recommendations by local school health advisory councils regarding opioid addiction and abuse education in public schools.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
