AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Under current law, not all member cities of a countywide public transportation authority (CPTA) are required to contribute funding to the operations of the CPTA, but all member cities are given a voting seat on the board. This creates a problem of not allowing the representatives of the municipalities who contribute funding to be accountable to their communities for the use of that funding.

The Denton County Transportation Authority (DCTA) was created under the CPTA statute in 2003 and at this time is the only such authority created under the statute. S.B. 1066 will redefine the voting roles of DCTA to reflect an agreement reached among the current stakeholders represented on the authority and establishes a process for determining the voting role of a member city that contributes funding to the operations of DCTA in the future. (Original Author's/Sponsor's Statement of Intent)

S.B. 1066 amends current law relating to certain coordinated county transportation authorities.
