

BILL ANALYSIS

S.B. 2530
By: Fallon
Land & Resource Management
Committee Report (Unamended)

BACKGROUND AND PURPOSE

It has been suggested that undeveloped land located within Collin County would benefit from the creation of a municipal utility district. S.B. 2530 seeks to provide for the creation of such a district.

CRIMINAL JUSTICE IMPACT

It is the committee's opinion that this bill does not expressly create a criminal offense, increase the punishment for an existing criminal offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

ANALYSIS

S.B. 2530 amends the Special District Local Laws Code to create the Van Alstyne Municipal Utility District No. 2 of Collin County, subject to voter approval at a confirmation election and certain conditions precedent to the confirmation election. The bill grants the district the power to undertake certain road projects and limits the district's authority to annex territory and use eminent domain. The bill provides for the division of the district and the adoption of an animal control ordinance inside the district and for municipal permitting authority in the district. The bill authorizes the district, subject to certain requirements, to issue obligations and impose property, operation and maintenance, and contract taxes. The bill expressly prohibits the district from exercising the power of eminent domain if the bill does not receive a two-thirds vote of all the members elected to each house.

EFFECTIVE DATE

September 1, 2019.
