relating to local option elections to legalize or prohibit the
operation of eight-liners; imposing fees; creating criminal
offenses; increasing criminal penalties.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Title 17, Election Code, is amended by adding
Chapter 502 to read as follows:

CHAPTER 502. LOCAL OPTION ELECTIONS ON OPERATION OF EIGHT-LINERS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 502.001. DEFINITION. In this chapter, "eight-liner"
has the meaning assigned by Section 47.01, Penal Code.

SUBCHAPTER B. MANNER OF CALLING ELECTION

Sec. 502.051. ELECTION TO BE HELD BY PETITION. On proper
petition by the required number of voters of a county or of a
justice precinct or municipality in the county, the commissioners
court of the county shall order a local option election in that
political subdivision to legalize or prohibit the operation of
eight-liners in the political subdivision.

Sec. 502.052. QUALIFICATION FOR POLITICAL SUBDIVISION TO
HOLD ELECTION. A political subdivision must have been in existence
for at least 18 months before a local option election to legalize or
prohibit the operation of eight-liners in the political subdivision
may be held.

Sec. 502.053. APPLICATION FOR PETITION. (a) If 10 or more
qualified voters of any county, justice precinct, or municipality file a written application and provide proof of publication of notice in a newspaper of general circulation in that political subdivision, the county clerk of the county shall issue to the applicants a petition to be circulated among and signed by the qualified voters of the political subdivision requesting that a local option election be called to determine whether to legalize or prohibit the operation of eight-liners in the political subdivision.

(b) Not later than the fifth day after the date the petition is issued, the county clerk shall notify the secretary of state that the petition has been issued.

Sec. 502.054. CONTENTS OF APPLICATION FOR PETITION TO LEGALIZE. (a) An application for a petition requesting an election to legalize the operation of eight-liners must include the heading: "Application for Local Option Election Petition to Legalize the Operation of Eight-Liners."

(b) The application must contain the following statement of the issue to be voted on, immediately preceding the signatures of the applicants: "It is the purpose and intent of the applicants whose signatures appear on this application to legalize the operation of eight-liners in (name of political subdivision)."

Sec. 502.055. CONTENTS OF APPLICATION FOR PETITION TO PROHIBIT. (a) An application for a petition requesting an election to prohibit the operation of eight-liners must include the heading: "Application for Local Option Election Petition to Prohibit the Operation of Eight-Liners."
Sec. A502.056. PETITION REQUIREMENTS. A petition must include the date the petition is issued by the county clerk and be serially numbered. Each page of the petition must bear the same date and serial number and the actual seal of the county clerk rather than a facsimile of that seal.

Sec. A502.057. HEADING AND STATEMENT ON PETITION TO LEGALIZE. (a) Each page of the petition for a local option election to legalize the operation of eight-liners must include the heading: "Petition for Local Option Election to Legalize the Operation of Eight-Liners."

(b) The petition must contain the following statement of the issue to be voted on, immediately preceding the signatures of the petitioners: "It is the purpose and intent of the petitioners whose signatures appear on this petition to legalize the operation of eight-liners in (name of political subdivision)."

Sec. A502.058. HEADING AND STATEMENT ON PETITION TO PROHIBIT. (a) Each page of the petition for a local option election to prohibit the operation of eight-liners must include the heading: "Petition for Local Option Election to Prohibit the Operation of Eight-Liners."

(b) The petition must contain the following statement of the issue to be voted on, immediately preceding the signatures of the applicants: "It is the purpose and intent of the applicants whose signatures appear on this application to prohibit the operation of eight-liners in (name of political subdivision)."
petitioners: "It is the purpose and intent of the petitioners whose
signatures appear on this petition to prohibit the operation of
eight-liners in (name of political subdivision)."

Sec. 502.059. OFFENSE: MISREPRESENTATION OF PETITION. (a) A person commits an offense if the person misrepresents the purpose or effect of a petition issued under this chapter.

(b) An offense under this section is a Class B misdemeanor.

Sec. 502.060. COPIES OF PETITION; RECORDS. (a) The county clerk shall provide the number of copies of the petition required by the applicants provided that number does not exceed one page for every 10 registered voters of the county or of a justice precinct or municipality in the county. Each copy must bear the date, number, and seal on each page as required on the original petition.

(b) The county clerk shall keep a copy of each petition and a record of the applicants for the petition.

Sec. 502.061. VERIFICATION OF PETITION. (a) Except as otherwise provided by Section 277.003, the voter registrar of the county shall check the names of the signers of petitions and the voting precincts in which the signers reside to determine whether the signers were qualified voters of the county, justice precinct, or municipality at the time the petition was issued. The registrar shall certify to the commissioners court the number of qualified voters signing the petition.

(b) A petition signature may not be counted unless:

(1) the signature is the actual signature of the purported signer;

(2) the petition contains in addition to the
signature:

(A) the signer's printed name;

(B) the signer's date of birth;

(C) if the territory from which signatures must be obtained is situated in more than one county, the county of registration;

(D) the signer's residence address; and

(E) the date of signing; and

(3) the petition complies with any other applicable requirements prescribed by law.

(c) The use of ditto marks or abbreviations does not invalidate a signature if the required information is reasonably ascertainable.

(d) The omission of the state from the signer's residence address does not invalidate a signature unless the political subdivision from which the signature is obtained is situated in more than one state. The omission of the zip code from the address does not invalidate a signature.

(e) The signature is the only entry on the petition that is required to be in the signer's handwriting.

(f) A signer may withdraw the signer's signature by deleting the signature from the petition or by filing with the voter registrar an affidavit requesting that the signature be withdrawn from the petition. A signer may not withdraw the signature from a petition on or after the date the petition is received by the registrar. A withdrawal affidavit filed by mail is considered to be filed at the time of its receipt by the registrar. The withdrawal
of a signature nullifies the signature on the petition and places
the signer in the same position as if the signer had not signed the
petition.

Sec. 502.062. REQUIREMENTS TO ORDER ELECTION. (a) The
commissioners court, at its next regular session on or after the
30th day after the date a petition is filed, shall order a local
option election to be held on the issue set out in the petition that
complies with the requirements of Subsection (b).

(b) The petition must:

(1) be filed with the voter registrar not later than
the 60th day after the date the petition is issued; and

(2) bear the signatures of a number of qualified
voters of the political subdivision equal to at least 35 percent of
the registered voters of the subdivision who voted in the most
recent gubernatorial election.

(c) A voter whose name appears on the list of registered
voters with the notation "S," or a similar notation, shall be
excluded from the computation of the number of registered voters of
a particular territory.

Sec. 502.063. RECORD IN MINUTES. The commissioners court
shall enter in its minutes the date a petition is presented, the
names of the signers, and the action taken with respect to the
petition.

Sec. 502.064. ISSUES TO APPEAR IN ORDER FOR ELECTION. (a)
The election order must state in its heading and text whether the
local option election to be held is for the purpose of legalizing or
prohibiting the operation of eight-liners as set out in the issue
recited in the application and petition.

(b) The order must state the issue to be voted on in the election.

Sec. 502.065. BALLOT. The ballot in an election to legalize or prohibit the operation of eight-liners shall be prepared to permit voting for or against: "The legal operation of eight-liners in (name of political subdivision)."

Sec. 502.066. EVIDENCE OF VALIDITY. The commissioners court election order is prima facie evidence of compliance with all provisions necessary to give the order validity or to give the commissioners court jurisdiction to make the order valid.

Sec. 502.067. FREQUENCY OF ELECTIONS. A local option election on a particular issue may not be held in a political subdivision until after the first anniversary of the date of the most recent local option election in that political subdivision on that issue.

SUBCHAPTER C. HOLDING OF ELECTION

Sec. 502.101. APPLICABILITY OF ELECTION CODE. Except as provided by this chapter, the officers holding a local option election shall hold the election in the manner provided by this code.

Sec. 502.102. ELECTION PRECINCTS. (a) County election precincts shall be used for a local option election to be held in an entire county or in a justice precinct.

(b) Election precincts established by the governing body of the municipality for its municipal elections shall be used for a local option election to be held in a municipality. If the
governing body has not established precincts for its municipal
elections, the commissioners court of the county in which the
municipality is located shall prescribe the election precincts for
the local option election under the law governing establishment of
precincts for municipal elections.

Sec. 502.103. ISSUE ON BALLOT. (a) The issue ordered to
appear on the ballot for an election ordered by the commissioners
court must be the same as the issue applied for and set out in the
petition.

(b) The ballot must include the language required by Section
502.065.

Sec. 502.104. COUNTY PAYMENT OF ELECTION EXPENSES. The
county shall pay the expense of holding a local option election
authorized by this chapter in the county or in a justice precinct or
municipality in the county except that:

(1) if an election is to be held only within the
corporate limits of a municipality located wholly within the
county, the county may require the municipality to reimburse the
county for all or part of the expenses of holding the local option
election;

(2) county payment of the expense of an election to
legalize the operation of eight-liners is limited to the holding of
one election in a political subdivision during a one-year period;
and

(3) county payment of the expense of an election to
prohibit the operation of eight-liners is limited to the holding of
one election in a political subdivision during a one-year period.
Sec. 502.105. DEPOSIT REQUIRED FOR CERTAIN ELECTIONS;
OFFENSE. (a) If a county is not required to pay the expense of a
local option election under Section 502.104, the county clerk shall
require the applicants for a petition for a local option election to
make a deposit before the issuance of the petition.
(b) The deposit must be in the form of a cashier's check in
an amount equal to 25 cents per voter listed on the current list of
registered voters residing in the county or in a justice precinct or
municipality in the county where the election is to be held.
(c) The money received shall be deposited in the county's
general fund. A refund may not be made to the applicants regardless
of whether the petition is returned to the county clerk or the
election is ordered.
(d) The county clerk may not issue a petition to the
applicants unless a deposit required by this chapter is made.
(e) A person who violates Subsection (d) commits an offense.
An offense under this subsection is a misdemeanor punishable by:
(1) a fine of not less than $200 nor more than $500;
(2) confinement in the county jail for not more than 30
days; or
(3) both the fine and confinement.

Sec. 502.106. ELECTION IN CERTAIN MUNICIPALITIES. (a)
This section applies only to an election to legalize or prohibit the
operation of eight-liners in a municipality located in more than
one county.
(b) An election to which this section applies shall be
conducted by the municipality instead of the counties. For the
purposes of an election conducted under this section, a reference in this chapter to:

(1) the county is considered to refer to the municipality;

(2) the commissioners court is considered to refer to the governing body of the municipality;

(3) the county clerk or voter registrar is considered to refer to the secretary of the municipality or, if the municipality does not have a secretary, to the person performing the functions of a secretary of the municipality; and

(4) the county judge is considered to refer to the mayor of the municipality or, if the municipality does not have a mayor, to the presiding officer of the governing body of the municipality.

(c) The municipality shall pay the expense of the election.

(d) An action to contest the election under Section 502.155 may be brought in the district court of any county in which the municipality is located.

SUBCHAPTER D. PROCEDURE FOLLOWING ELECTION

Sec. 502.151. DECLARATION OF RESULT. (a) On completing the canvass of the election returns, the commissioners court shall issue an order declaring the election result, and the clerk of the commissioners court shall record the order as provided by law.

(b) In a legalization election, if a majority of the votes cast favor legalizing the operation of eight-liners in the political subdivision, the operation of eight-liners within the boundaries of the political subdivision is legal on the entering of
the court's order. The legalization remains in effect until
changed by a subsequent local option election held under this
chapter.

(c)  In a prohibitory election, if a majority of the votes
cast favor prohibiting the legal operation of eight-liners in the
political subdivision, the court's order must state that the
operation of eight-liners within the boundaries of the political
subdivision is prohibited effective on the 30th day after the date
the order is entered. The prohibition remains in effect until
changed by a subsequent local option election held under this
chapter.

(d) The local option status of a political subdivision does
not change as a result of the election if less than a majority of the
votes cast favor the issue.

Sec. 502.152. ORDER PRIMA FACIE EVIDENCE. The order of the
commissioners court declaring an election result is prima facie
evidence that all provisions of law have been complied with in
giving notice of and holding the election, counting and returning
the votes, and declaring the result of the election.

Sec. 502.153. CERTIFICATION OF RESULT. Not later than the
third day after the date the result of a local option election has
been declared, the county clerk shall certify the result to the
secretary of state. The clerk may not charge a fee for this
service.

Sec. 502.154. POSTING ORDER PROHIBITING OPERATION. (a) A
commissioners court order declaring the result of a local option
election and prohibiting the operation of eight-liners within the
boundaries of a political subdivision must be published by posting the order at three public places in the political subdivision in which the election was held.

(b) The county judge shall record the posting of the order in the minutes of the commissioners court. The entry in the minutes or a copy certified under the hand and seal of the county clerk is prima facie evidence of the posting.

Sec. 502.155. ELECTION CONTEST. (a) The enforcement of local option laws in the political subdivision in which an election is being contested is not suspended during an election contest.

(b) The result of an election contest finally settles all questions relating to the validity of that election. A person may not call the legality of that election into question again in any other suit or proceeding.

(c) If an election contest is not timely instituted, it is conclusively presumed that the election is valid and binding in all respects on all courts.

SUBCHAPTER E. MISCELLANEOUS LOCAL OPTION PROVISIONS

Sec. 502.201. LOCAL OPTION STATUS OF AREA. (a) In a criminal prosecution, all trial courts of this state shall take judicial notice of whether the operation of eight-liners is legal or prohibited in an area.

(b) In an information, complaint, or indictment, an allegation that the operation of eight-liners is prohibited in an area is sufficient, but a different status of the area may be urged and proved as a defense.

Sec. 502.202. CHANGE OF STATUS. Except as provided in
Section 502.203, a political subdivision that has exercised or may exercise the right of local option to legalize or prohibit the operation of eight-liners retains the status adopted until that status is changed by a subsequent local option election in the same political subdivision.

Sec. 502.203. PREVAILING STATUS: RESOLUTION OF CONFLICTS.
To ensure that each voter has the maximum possible control over the status of the operation of eight-liners in the area where the voter resides:

(1) the status that resulted from or is the result of a duly called election for a municipality prevails against the status that resulted from or is the result of an election in the county in which the municipality or any part of the municipality is located; and

(2) the status that resulted from or is the result of an election for a justice precinct prevails against the status that resulted from or is the result of an election in a municipality in which the justice precinct is wholly contained or in a county in which the justice precinct is located.

Sec. 502.204. CHANGE IN PRECINCT BOUNDARIES. (a) When a local option status is in effect as the result of the vote in a justice precinct, the status shall remain in effect until the status is changed as the result of a vote in the same territory that constituted the precinct when the status was established. If the boundaries of the justice precinct have changed since the status was established, the commissioners court shall, for purposes of a local option election, define the boundaries of the original
precinct. A local option election may be held within the territory defined by the commissioners court as constituting the original precinct.

(b) Nothing in this section is intended to affect the operation of Section 502.203.

(c) Section 502.104, relating to the payment of local option election expenses, applies to elections held in a territory that is defined in accordance with Subsection (a) of this section.

SECTION 2. Section 2153.002, Occupations Code, is amended by amending Subdivisions (1), (5), and (6) and adding Subdivision (2-a) to read as follows:

Sec. 2153.507. FEE PERMIT. (a) The comptroller shall issue a fee permit to an owner who pays the fee.

(b) The comptroller may issue a duplicate fee permit to an owner if the owner's fee permit is lost, stolen, or destroyed. The fee for a duplicate permit is $5.

(c) A fee permit shall be securely attached to the eight-liner for which the permit is issued in a manner that requires the continued application of steam and water to remove the permit.

Sec. 2153.508. APPLICABILITY OF TAX CODE. Subtitle B, Title 2, Tax Code, applies to the administration, collection, and enforcement of taxes, penalties, and interest under this subchapter.
