A BILL TO BE ENTITLED

AN ACT

relating to the establishment of a pilot program for the issuance of
digital identification.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subtitle B, Title 7, Transportation Code, is
amended by adding Chapter 526 to read as follows:

CHAPTER 526. DIGITAL IDENTIFICATION PILOT PROGRAM

Sec. 526.001. DEFINITIONS. In this chapter:

(1) "Department" and "driver's license" have the
meanings assigned by Section 521.001.

(2) "Digital identification" includes digital
driver's licenses and digital personal identification
certificates.

Sec. 526.002. DIGITAL IDENTIFICATION PILOT PROGRAM. (a) The department by rule shall establish a pilot program for the
issuance of digital identification.

(b) In establishing the digital identification pilot
program, the department shall:

(1) assess existing department infrastructure and
identify changes required to implement the program;

(2) upgrade department infrastructure according to
the department's findings under Subdivision (1);

(3) acquire a mobile application that:

(A) displays digital identification that
includes the information described by Section 521.121(a) on a wireless communication device;

(B) includes an authentication and verification process for a wireless communication device; and

(C) may be used in any location regardless of the location's level of wireless connectivity or cellular telephone service;

(4) deploy the digital identification mobile application at no cost to focus groups for testing and evaluation;

(5) implement a law enforcement version of the application for field testing; and

(6) ensure that the privacy rights of pilot program participants are protected.

(c) Digital identification issued under this section may not be used or accepted as valid proof of identification.

(d) The department may contract with a third party to establish the pilot program described by this section if the contract is at no cost to the department. In contracting with a third party, the department shall give a preference to vendors whose principal office is located in the United States.

(e) The department shall prepare a report containing the results of the pilot program and the department's recommendations. The department shall submit the report to the Public Safety Commission and the legislature not later than the 180th day after the date of completion of the pilot program.

Sec. 526.003. EXPIRATION. This chapter expires September 1, 2021.
H.B. No. 682

SECTION 2. The Department of Public Safety shall adopt the initial rules for the digital identification pilot program under Chapter 526, Transportation Code, as added by this Act, not later than February 1, 2020.

SECTION 3. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2019.
