10 (B) the disappearance of the missing adult may  
11 not have been voluntary, including cases of abduction or

18 media outlets in this state.

19 (c) The director shall prescribe forms for use by local law  
20 enforcement agencies in requesting activation of the alert system.

21 Sec. 411.464. DEPARTMENT TO RECRUIT PARTICIPANTS. The  
22 department shall recruit public and commercial television and radio  
23 broadcasters, private commercial entities, state or local  
24 governmental entities, the public, and other appropriate persons to  
25 assist in developing and implementing the alert system.

26 Sec. 411.465. STATE AGENCIES. (a) A state agency  
27 participating in the alert system shall:

1           (1) cooperate with the department and assist in  
2 developing and implementing the alert system; and

6           (b) In addition to its duties as a state agency under  
7 Subsection (a), the Texas Department of Transportation shall  
8 establish a plan for providing relevant information to the public  
9 through an existing system of dynamic message signs located across  
10 the state.

11           Sec. 411.466. NOTIFICATION TO DEPARTMENT OF MISSING ADULT.

12           (a) A local law enforcement agency shall notify the department if  
13 the agency:

14                   (1) receives a report regarding a missing adult;

15                   (2) verifies that at the time the adult is reported  
16 missing:

17                           (A) the person reported missing is 18 years of  
18 age or older but younger than 65 years of age;

19                           (B) the adult's location is unknown; and

20                           (C) the adult has been missing for less than 72  
21 hours;

22                   (3) confirms that a preliminary investigation has

24 of that investigation, the agency believes that the adult is  
25 missing under circumstances described by Section 411.463(b)(1)(A)  
26 or (B); and

27                   (4) believes sufficient information is available to

1 disseminate to the public that could assist in locating the adult, a  
2 person suspected of abducting or kidnapping the adult, or a vehicle  
3 suspected of being used by the adult or in any abduction or  
4 kidnapping of the adult.

5 (b) The department may modify the criteria described by  
6 Subsection (a) as necessary for the proper implementation of the  
7 alert system.

8 Sec. 411.467. ACTIVATION OF ALERT. (a) When a local law  
9 enforcement agency notifies the department under Section 411.466,  
10 the department shall confirm the accuracy of the information and,  
11 if confirmed, immediately issue an alert under this subchapter in  
12 accordance with the department's rules and directives under Section  
13 411.463.

14 (b) The department may issue the alert on its own  
15 initiative, without receiving the notification described by  
16 Subsection (a), if the issuance conforms to the department's rules  
17 and directives and if the criteria described by Section 411.466(a)  
18 are satisfied.

19 (c) In issuing the alert, the department shall send the  
20 alert to designated media outlets in this state. Following receipt  
21 of the alert, participating radio stations and television stations  
22 and other participating media outlets may issue the alert at  
23 designated intervals to assist in locating the missing adult.

24 (d) The department shall also send the alert to:

25 (1) any appropriate law enforcement agency;

26 (2) the Texas Department of Transportation;

27 (3) the Texas Lottery Commission; and

1           (4) the Independent Bankers Association of Texas.

2           Sec. 411.468. CONTENT OF ALERT. The alert must include:

3           (1) all appropriate information that may lead to the  
4 safe recovery of the missing adult, as determined by the  
5 department; and

6           (2) a statement instructing any person with  
7 information related to the missing adult to contact a local or state  
8 law enforcement agency.

9           Sec. 411.469. TERMINATION OF ALERT. (a) The director shall  
10 terminate any activation of the alert with respect to a particular  
11 missing adult not later than the earlier of the date on which:

12           (1) the missing adult is located or the situation is  
13 otherwise resolved; or

14           (2) the notification period ends, as determined by  
15 department rule.

16           (b) A local law enforcement agency that locates a missing  
17 adult who is the subject of an alert under this subchapter shall  
18 notify the department as soon as possible that the missing adult has  
19 been located.

20           Sec. 411.470. LIMITATION ON PARTICIPATION BY TEXAS  
21 DEPARTMENT OF TRANSPORTATION. Notwithstanding Section 411.465(b),  
22 the Texas Department of Transportation is not required to use any  
23 existing system of dynamic message signs in a statewide alert  
24 system created under this subchapter if the department receives  
25 notice from the United States Department of Transportation Federal  
26 Highway Administration that the use of the signs would result in the  
27 loss of federal highway funding or other punitive actions taken

1 against this state due to noncompliance with federal laws,  
2 regulations, or policies.

3       SECTION 2. (a) The Department of Public Safety of the State  
4 of Texas shall conduct a study on the effectiveness of the statewide  
5 alert system described by Subchapter Q, Chapter 411, Government  
6 Code, as added by this Act. The study must investigate whether the  
7 statewide alert system fulfills the purpose for which the alert  
8 system was created and whether the alert system should be modified  
9 or expanded.

10       (b) Not later than December 31, 2020, the Department of  
11 Public Safety of the State of Texas shall submit to the governor,  
12 lieutenant governor, and speaker of the house of representatives a  
13 report containing the results of the study conducted under  
14 Subsection (a) of this section, including any recommendations for  
15 proposed legislation.

16       (c) This section expires December 31, 2021.

17       SECTION 3. This Act takes effect September 1, 2019.
