5 SECTION 1. Chapter 171, Tax Code, is amended by adding
6 Subchapter V to read as follows:

7 SUBCHAPTER V. TAX CREDIT FOR LOW-INCOME HOUSING DEVELOPMENTS

8 Sec. 171.9241. DEFINITIONS. In this subchapter:

9 (1) "Allocation certificate" means a statement issued
10 by the department certifying that a qualified development qualifies
11 for credits under this subchapter and Chapter 233, Insurance Code,
12 and specifying the total amount of the credits awarded in
13 connection with the qualified development.

14 (2) "Credit" means the low-income housing development
15 tax credit authorized by this subchapter.

16 (3) "Credit period" means the period of 10 tax years
17 beginning with the tax year in which a qualified development is
18 placed in service. A qualified development consisting of more than
19 one building is not considered to be in service until all buildings
20 in the qualified development are placed in service.

21 (4) "Department" means the Texas Department of Housing
22 and Community Affairs.

23 (5) "Development" has the meaning assigned by Section
24 2306.6702, Government Code.

1 (6) "Federal tax credit" means the federal low-income
2 housing credit created by Section 42, Internal Revenue Code.

3 (7) "Qualified basis" means the qualified basis of a
4 qualified development, as determined under Section 42, Internal
5 Revenue Code.

6 (8) "Qualified development" means a development in
7 this state, other than in a county with a population of four million
8 or more, that the department determines is eligible for a federal
9 tax credit and that:

10 (A) is financed with tax-exempt bonds;

11 (B) is the subject of a recorded restrictive
12 covenant requiring the development to be maintained and operated as
13 a qualified development; and

14 (C) for the lesser of 15 years after the
15 beginning of the credit period or the period required by the
16 department, is in compliance with:

17 (i) all accessibility and adaptability
18 requirements for a federal tax credit; and

19 (ii) Title VIII of the Civil Rights Act of
20 1968 (42 U.S.C. Section 3601 et seq.).

21 Sec. 171.9242. ENTITLEMENT TO CREDIT. A taxable entity is
22 entitled to a credit against the taxes imposed under this chapter in
23 the amount and under the limitations provided by this subchapter if
24 the taxable entity owns an interest in a qualified development.

25 Sec. 171.9243. ALLOCATION CERTIFICATE; CREDIT. (a) In a
26 year during a credit period, a taxable entity or an entity subject
27 to state insurance tax liability as defined by Section 233.0001,

1 Insurance Code, may apply to the department for an allocation
2 certificate in connection with a development in which the taxable
3 entity or other entity owns an interest.

4 (b) The department shall issue an allocation certificate if
5 the development is a qualified development.

6 (c) The department may determine the total amount of credits
7 under this subchapter and Chapter 233, Insurance Code, awarded in
8 connection with a qualified development, subject to the following:

9 (1) the amount of credits awarded in connection with a
10 qualified development must be the minimum amount necessary for the
11 financial feasibility of the qualified development after
12 considering any federal tax credit;

13 (2) the amount of credits awarded in connection with a
14 qualified development over the credit period may not exceed the
15 total federal tax credit awarded to the owner or owners of the
16 qualified development over the 10-year federal tax credit period;

17 (3) the manner in which the department awards the
18 amount of credits must be consistent with criteria established by
19 the department; and

20 (4) in a year, the total amount of credits awarded in
21 connection with all qualified developments may not exceed the sum
22 of:

23 (A) \$35 million;

24 (B) any unallocated credits for the preceding
25 year; and

26 (C) any credit recaptured or otherwise returned
27 to the department in the year.

1 (d) The owners of a qualified development who intend to
2 claim a credit under this subchapter or Chapter 233, Insurance
3 Code, may by agreement determine the portion of the total amount of
4 credits awarded under Subsection (c) that each owner is entitled to
5 claim. If the owners do not agree, the department shall determine
6 the portion each owner is entitled to claim based on each owner's
7 ownership interest in the qualified development.

8 Sec. 171.9244. LENGTH OF CREDIT; LIMITATION. (a) A taxable
9 entity entitled to a credit under this subchapter shall claim the
10 credit in equal installments during each year of the credit period.

11 (b) The total credit claimed under this subchapter for a
12 report, including any carry forward or backward under Section
13 171.9245, may not exceed the amount of franchise tax due for the
14 report after any other applicable credit.

15 Sec. 171.9245. CARRY FORWARD OR BACKWARD. (a) If a taxable
16 entity is eligible for a credit that exceeds the limitations under
17 Section 171.9244, the taxable entity may carry the unused credit
18 back for not more than three tax years or forward for not more than
19 10 consecutive reports following the tax year in which the
20 allocation was made. A credit carryforward from a previous report
21 is considered to be used before the current year installment.

22 (b) A credit that is not used may not be refunded.

23 Sec. 171.9246. RECAPTURE. (a) The comptroller shall
24 recapture the amount of a credit claimed on a franchise tax report
25 filed under this chapter from a taxable entity if, on the last day
26 of a tax year, the amount of the qualified basis of the qualified
27 development is less than the amount of the qualified basis as of the

1 last day of the prior tax year. The comptroller shall determine the
2 amount required to be recaptured using the formula provided by
3 Section 42(j), Internal Revenue Code, as that section existed on
4 January 1, 2019.

5 (b) A franchise tax report must include any portion of
6 credit required to be recaptured, the identity of any taxable
7 entity subject to the recapture, and the amount of any credit
8 previously allocated to the taxable entity.

9 Sec. 171.9247. ASSIGNMENT OF CREDIT. (a) If a taxable
10 entity receiving a credit under this subchapter is a partnership,
11 limited liability company, S corporation, or similar pass-through
12 entity, the taxable entity may assign the credit to its partners,
13 shareholders, members, or other constituent taxable entities in any
14 manner agreed by those entities.

15 (b) A taxable entity that makes an assignment under this
16 section shall certify to the comptroller the amount of credit
17 assigned to each constituent taxable entity or shall notify the
18 comptroller that it has delegated the duty of certification to one
19 constituent taxable entity that shall provide the notification to
20 the comptroller. Each constituent taxable entity is entitled to
21 claim the assigned amount subject to any restrictions prescribed by
22 this subchapter.

23 (c) An assignment under this section is not a transfer for
24 purposes of state law.

25 Sec. 171.9248. FILING REQUIREMENTS AFTER ASSIGNMENT. A
26 taxable entity that assigns a portion of the credit under Section
27 171.9247, and each taxable entity to which a portion was assigned,

1 shall file with the taxable entity's report a copy of the allocation
2 certificate received for that year.

3 Sec. 171.9249. RULES; PROCEDURES. The department and
4 comptroller, in consultation with each other, shall adopt rules and
5 procedures to implement, administer, and enforce this subchapter.

6 Sec. 171.9250. COMPLIANCE MONITORING. (a) The department,
7 in consultation with the comptroller, shall monitor compliance with
8 this subchapter in the same manner as the department monitors
9 compliance with the federal tax credit program.

10 (b) The department shall report any instances of
11 noncompliance with this subchapter to the comptroller.

12 Sec. 171.9251. REPORT. (a) Not later than December 31 of
13 each year, the department shall deliver a written report to the
14 legislature. The report must:

15 (1) specify the number of qualified developments for
16 which allocation certificates were issued during the year and the
17 total number of units supported by the developments;

18 (2) describe each qualified development for which an
19 allocation certificate was issued during the year, including:

20 (A) location;

21 (B) household type;

22 (C) available demographic information for the
23 residents intended to be served by the development;

24 (D) the income levels intended to be served by
25 the development; and

26 (E) the rents or set-asides authorized for the
27 development;

1 (3) include housing market and demographic
2 information to demonstrate how the qualified developments,
3 supported by the tax credits under this subchapter and Chapter 233,
4 Insurance Code, are addressing the need for affordable housing in
5 their communities; and

6 (4) analyze any remaining disparities in the
7 affordability of housing within those communities.

8 (b) The department shall make a report delivered under this
9 section available to the public.
