H.B. No. 2032

A BILL TO BE ENTITLED

AN ACT

1
2 relating to the health literacy advisory committee and health
3 literacy in the state health plan.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Section 104.002, Health and Safety Code, is
6 amended by adding Subdivision (6) to read as follows:

7 (6) "Health literacy" means the degree to which
8 individuals have the capacity to obtain, process, and understand
9 basic health information and health services needed to make
10 appropriate health decisions.

11 SECTION 2. Subchapter B, Chapter 104, Health and Safety
12 Code, is amended by adding Section 104.0157 to read as follows:

13 Sec. 104.0157. HEALTH LITERACY ADVISORY COMMITTEE. (a)
14 The statewide health coordinating council shall form an advisory
15 committee on health literacy. The advisory committee must include
16 representatives of interested groups, including the academic
17 community, consumer groups, health plans, pharmacies, and
18 associations of physicians, hospitals, and nurses.

19 (b) The advisory committee shall develop a long-range plan
20 for increasing health literacy in this state.

21 (c) In developing the long-range plan, the advisory
22 committee shall study the economic impact of low health literacy on
23 state health care programs and insurance coverage for residents of
24 this state. The advisory committee shall:

1 (1) identify key risk factors for low health literacy;

2 (2) examine methods for health care practitioners,
3 health care facilities, and others to address health literacy with
4 patients and the public;

5 (3) examine the effectiveness of using quality
6 measures in state health programs to improve health literacy;

7 (4) identify ways to expand the use of plain language
8 instructions for patients; and

9 (5) identify the ways that increasing health literacy
10 can improve patient safety, reduce preventable events, and increase
11 medication adherence to attain greater cost-effectiveness and
12 better patient outcomes in health care.

13 (d) The advisory committee shall elect a presiding officer.

14 (e) Members of the advisory committee serve without
15 compensation but are entitled to reimbursement for the members'
16 travel expenses as provided by Chapter 660, Government Code, and
17 the General Appropriations Act.

18 (f) Sections 2110.002, 2110.003, and 2110.008, Government
19 Code, do not apply to the advisory committee.

20 (g) Meetings of the advisory committee under this section
21 are subject to Chapter 551, Government Code.

22 SECTION 3. Sections 104.022(e) and (f), Health and Safety
23 Code, are amended to read as follows:

24 (e) The state health plan shall be developed and used in
25 accordance with applicable state and federal law. The plan must
26 identify:

27 (1) major statewide health concerns, including the

1 prevalence of low health literacy of health care consumers;

2 (2) the availability and use of current health
3 resources of the state, including resources associated with
4 information technology and state-supported institutions of higher
5 education; and

6 (3) future health service, information technology,
7 and facility needs of the state.

8 (f) The state health plan must:

9 (1) propose strategies for the correction of major
10 deficiencies in the service delivery system;

11 (2) propose strategies for increasing health literacy
12 to obtain greater cost-effectiveness and better patient outcomes in
13 health care;

14 (3) [~~(2)~~] propose strategies for incorporating
15 information technology in the service delivery system;

16 (4) [~~(3)~~] propose strategies for involving
17 state-supported institutions of higher education in providing
18 health services and for coordinating those efforts with health and
19 human services agencies in order to close gaps in services; and

20 (5) [~~(4)~~] provide direction for the state's
21 legislative and executive decision-making processes to implement
22 the strategies proposed by the plan.

23 SECTION 4. This Act takes effect September 1, 2019.
