SECTION 1. (a) In this section:

(1) "Commission" means the Health and Human Services Commission.

(2) "Division" means the Texas Division of Emergency Management.

(b) The commission and the division shall conduct a study to determine the feasibility of developing:

(c) The commission and the division shall coordinate with the Federal Emergency Management Agency and other appropriate state

1 and federal agencies to conduct the study under Subsection (b) of  
2 this section. The commission and the division must determine:

3 (1) whether the Federal Emergency Management Agency  
4 and other appropriate state and federal agencies will accept the  
5 single intake form;

6 (2) the cost of developing the single intake form and  
7 the cost of developing and maintaining the automated intake system;  
8 and

9 (3) the cost of developing and maintaining a state  
10 case management system and the extent to which federal  
11 reimbursement is available.

12 (d) Not later than September 1, 2020, the commission and the  
13 division shall prepare and submit a written report to the  
14 legislature containing the findings of the study conducted under  
15 Subsection (b) of this section and any recommendations to the  
16 legislature.

17 (e) The commission and the division may implement the single  
18 intake form, automated intake system, and state case management  
19 system if the commission and the division determine, based on the  
20 study conducted under Subsection (b) of this section, that doing so  
21 will result in no additional cost to the state.

22 SECTION 2. This Act expires January 1, 2021.

23 SECTION 3. This Act takes effect immediately if it receives  
24 a vote of two-thirds of all the members elected to each house, as  
25 provided by Section 39, Article III, Texas Constitution. If this  
26 Act does not receive the vote necessary for immediate effect, this  
27 Act takes effect September 1, 2019.
