H.B. No. 2818

A BILL TO BE ENTITLED 1 AN ACT 2 relating to an Internet online dropout recovery education program for students at risk of dropping out of school. 3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS: 4 SECTION 1. Section 29.081, Education Code, is amended by 5 amending Subsection (e-2) and adding Subsection (f-1) to read as 6 7 follows: (e-2) An Internet online dropout recovery education program 8 9 must: include as a part of its curriculum credentials, 10 (1)certifications, or other course offerings that relate directly to 11 12 employment opportunities in the state; 13 employ as faculty and administrators persons with (2) 14 baccalaureate or advanced degrees; (3) provide an academic coach and local advocate for 15 each student; 16 (4) use an individual learning plan to monitor each 17 student's progress; 18 (5) [establish satisfactory requirements for the 19 20 monthly progress of students according to standards set by the 21 commissioner; 22 [(6)] provide a monthly report to the student's school 23 district regarding the student's progress; 24 (6) [(7)] perform satisfactorily according to

86R10933 MM-F

1

1 performance indicators and accountability standards adopted for 2 alternative education programs by the commissioner; and 3 (7) [(8)] comply with this title and rules adopted

H.B. No. 2818

4 under this title except as otherwise provided by this subsection.

5 <u>(f-1) An Internet online dropout recovery education program</u> 6 <u>is not subject to commissioner rules applicable to an optional</u> 7 <u>flexible school day program under Section 29.0822 regarding minutes</u> 8 <u>of instruction and calculation of average daily attendance. For</u> 9 <u>the purposes of calculating attendance for an Internet online</u> 10 <u>dropout recovery education program, the commissioner shall:</u>

11 (1) consider a student to be scheduled for and 12 receiving instruction for 55 minutes per day for each course taken 13 for purposes of determining whether the student satisfies the 14 requirements of half-day or full-day enrollment;

15 (2) consider a student who is enrolled for five 16 semester courses to be in attendance for each day of instruction in 17 the reporting period for purposes of establishing the student's 18 daily attendance;

19 <u>(3) calculate the final average daily attendance of</u> 20 <u>the program based on successful student completion of semester</u> 21 <u>courses in which students were enrolled using course completion</u> 22 <u>data reported by the district;</u>

23 (4) adjust the average daily attendance based on
24 students' failure to complete semester courses; and

25 (5) adjust the amount of funding provided under the
26 Foundation School Program during the following school year based on
27 any adjustment made under Subdivision (4).
