9 causes to be maintained, the comptroller may include in the
10 database a direct link to, or a clear statement describing the
11 location of, the separately posted information instead of or in
12 addition to reproducing the information in the database.

13 SECTION 2. Section 140.008(a)(2), Local Government Code, is
14 amended to read as follows:

15 (2) "Political subdivision" means a county,
16 municipality, school district, junior college district, other
17 special district, or other subdivision of state government. The
18 term does not include a special purpose district described by
19 Section 403.0241(b), Government Code.

20 SECTION 3. Section 140.008, Local Government Code, is
21 amended by amending Subsections (d), (g), and (h) and adding
22 Subsection (i) to read as follows:

23 (d) As an alternative to providing an annual report under
24 Subsection (f), a political subdivision may provide to the
25 comptroller the information described by Subsection (b) and any
26 other related information required by the comptroller in the form
27 and in the manner prescribed by the comptroller. The comptroller

1 shall post the information provided by the political subdivision
2 and any other information the comptroller considers relevant or
3 necessary on the comptroller's Internet website. The comptroller
4 may post the information in the format that the comptroller
5 determines appropriate, provided that the information for each
6 political subdivision is easily located by searching the name of
7 the political subdivision on the Internet. If the political
8 subdivision maintains an Internet website, the political
9 subdivision shall provide a link from the website to the location on
10 the comptroller's website where the political subdivision's
11 financial information may be viewed. The comptroller shall adopt
12 rules necessary to implement this subsection.

13 (g) Notwithstanding any other provision of this section, a
14 district, as defined by Section 49.001, Water Code, satisfies the
15 requirements of this section if, on an annual basis, the district:

16 (1) complies with the requirements of Subchapter G,
17 Chapter 49, Water Code, regarding audit reports, affidavits of
18 financial dormancy, and annual financial reports; and

19 (2) either:

20 (A) submits the financial documents described by
21 Subchapter G, Chapter 49, Water Code, to the comptroller in the form
22 and manner prescribed by the comptroller; or

23 (B) takes action to ensure that the financial
24 documents described by Subchapter G, Chapter 49, Water Code, are
25 made available at a regular office of the district for inspection by
26 any person and, if the district maintains an Internet website, are
27 posted continuously for public viewing on the district's Internet

1 website.

2 (h) The comptroller shall post the documents submitted to
3 the comptroller under Subsection (g) and any other information the
4 comptroller considers relevant or necessary on the comptroller's
5 Internet website, to the extent that the documents as submitted to
6 the comptroller are in a form that facilitates compliance with
7 applicable technical accessibility standards and specifications
8 established in the electronic and information resources
9 accessibility policy adopted by the comptroller under other law.
10 The comptroller shall adopt rules necessary to implement this
11 subsection and Subsection (g).

12 (i) If information required to be posted by the comptroller
13 under this section is posted separately on an Internet website that
14 a state agency, the comptroller, or a political subdivision,
15 including a district as defined by Section 49.001, Water Code,
16 maintains or causes to be maintained, the comptroller may post on
17 the comptroller's Internet website a direct link to, or a clear
18 statement describing the location of, the separately posted
19 information instead of or in addition to reproducing the required
20 information on the comptroller's website.

21 SECTION 4. The changes in law made by this Act apply only to
22 a report required to be made on or after the effective date of this
23 Act. A report required to be made before the effective date of this
24 Act is governed by the law as it existed immediately before the
25 effective date of this Act, and that law is continued in effect for
26 that purpose.

27 SECTION 5. This Act takes effect September 1, 2019.
